Pride, Oregon Series 4-6 Jill Sanders, Tis the Season It s time Matthew admitted he has bitten off more than he can chew by purchasing the old house on the hill After all it was just going to be a side project Having his new brother in law fix up the place had been easy enough But the first night he spent in the old place he d gotten a little

more than he'd bargained for and now the interior decorator that he'd hired was the only one who could corroborate his crazy stories. Interior decorator Blake Shelby had been hired to work on what she thought would be one of the best projects in her new career. The massive old place was the perfect setting to show off her skills. It didn't put her out any that the owner was tall, had dark hair and green eyes and was everything she'd ever dreamed of. Speaking of dreams since staying in the guest room she'd had a few doozies herself. Dare to Love Riley was living the dream, running her own business, being her own boss and finally moving into her own place. Things couldn't be any better with the exception of catching Carter Miller's attention. If only the sexy man next door would make his move. Maybe she'd just have to nudge him along. Carter was in deep. Holding in his feelings for Riley was becoming too difficult. Especially when his brother's wedding was less than a month away and he was forced to work one-on-one with the woman who made his body, mind and heart betray his better judgment. Where I Belong Life seems hell-bent on crushing Eva Chapman, starting with the tragic loss of her brother for which she is solely to blame. The unfortunate turn of events that landed her where she is now, on her knees hiding behind the counter at a hole-in-the-wall bookstore in a small town in the middle of nowhere, hiding from the local police. This was not the life she'd imagined for herself. And no amount of imagination or self-destructive behavior can ease this pain. Running is all she has now. Fresh out of grad school, a psych degree in hand, Rafe is manning the local coffee shop bookstore in his hometown of Pride. He has never felt more adrift and confused. The truth is he'd never really thought this far ahead and until his sister returns from her post-second divorce meltdown vacation, this will have to do. But can he survive the boredom? He does enjoy the relaxing tourist vibe and the routine influx of interesting local eccentrics every day, but it is the gorgeous hot mess that just dove over his counter that really caught his attention.
