Daddy Survival Guide Alex Willis, 2008-10-01 Hey daddy to be it takes a lot more than sticking out your chest and being a proud papa to become a good daddy. The Daddy Survival Guide is the first in the series to help the first-time dad to understand what is really expected of him without all the fluff and touchy-feely contents of most mom-to-be books. You need to understand the changes of the pregnancy phases, what you should be doing to prepare for this new baby and how to get yourself in gear for the road ahead. To make things a little more interesting, we added useful survival tips. Check out the other books in the series which covers the baby's first-year communication education.
