Flight To Canada A Novel English Edition

Ashraf H. A. Rushdy

Flight To Canada A Novel English Edition:

The novel english as paradigm of canadian literary identity Natalia Rodriguez Nieto, 2014-04-02 La presente tesis se centra en el género novelístico en lengua inglesa como paradigma de la Identidad literaria canadiense con el fin de analizar su construcción restrictiva por medio de la Recuperación de contribuciones de mujeres y autores étnicos que han sido bien relegadas o bien infravaloradas como agentes literarios relevantes Esta investigación abarca un periodo que comprende desde la publicación de la primera novela canadiense en inglés The History of Emily Montague de Frances Brooke en 1769 hasta 1904 año en el que la obra de Sara Jeannette Duncan titulada The Imperialist vi la luz es decir desde los comienzos del género en inglés hasta la primera novela modernista La primera parte engloba el marco teórico general del Nuevo Historicismo el Feminismo y los Estudios étnicos puesto que resaltan el papel crucial de la historicización de la literatura en la creación de tradiciones e identidades literarias e impulsan una visión crítica tanto de la producción literaria de mujeres y escritores étnicos como de su consideración La segunda parte se centra en la historia tradición e identidad literarias canadienses Por medio de la novela se analiza el proceso de antologización de la literatura canadiense en inglés a través de un estudio detallado sobre la presencia ausencia de autoras y autores étnicos en antologías publicadas entre 1920 y 2004 También se incluyen las contribuciones de críticos/as feministas y/o étnicos puesto que cuestionan axiomas establecidos en la historia tradición e identidad canadienses y posibilitan el acceso a las obras de estos escritores/as alternativos cuyos diversos sentidos identitarios de otro modo silenciados son revelados Precisamente estos diferentes sentidos de la identidad son el eje de la tercera parte Desde 1769 a 1904 existen una primera novela frecuentemente infravalorada escrita Frances Brooke novelas olvidadas de autoras con gran reconocimiento como Susanna Strickland Moodie escritoras relevantes en la ficción juvenil como es el caso de Agnes Maule Machar Margaret Murray Robertson y Margaret Marshall Saunders contribuciones tempranas de autores étnicos como Martin Robinson Delany y Winnifred Eaton así como novelistas de éxito de la talla Agnes Early Fleming Lily Dougall Susan Frances Harrison y Sara Jeannette Duncan Dando voz y resaltando su relevancia este trabajo demuestra que la literatura canadiense temprana está plagada de autoras y autores étnicos inteligentes poderosos y reconocidos cuyas aportaciones deben ser reconsideradas si se pretende seguir manteniendo el carácter multicultural y no patriarcal de las letras canadienses Estas novelas de un autor afroamericano y residente temporal en Canadá de una mujer canadiense de ascendencia china inglesa y un amplio espectro de mujeres inmigrantes o nativas pone de manifiesto no sólo que Canadá cuenta con un pasado literario sólido y forjado desde la diversidad sino que cuestiona el hecho de que esta herencia literaria todavía necesita ser recuperada

Novel Arguments Richard Walsh, 1995-09-29 Novel arguments argues that innovative fiction by which is meant writing that has been variously labeled postmodern metafictional experimental extends our ways of thinking about the world and rejects the critical consensus that under the rubrics of postmodernism and metafiction homogenizes this fiction as autonomous and self absorbed Play self consciousness and immanence supposed symptoms of innovative fiction s autonomy are here reconsidered as integral to its means of engagement The book advances a concept of the argument of fiction as a construct wedding structure and content into a highly evolved and expressive experimental form Close readings of five important innovative novels by Donald Barthelme Ishmael Reed Robert Coover Walter Abish and Kathy Acker show how they articulate matters of substance social engagement and ideological currency by virtue of the act of innovation Walsh deftly argues for a new understanding of fictional cognition at the theoretical level and in an act of great critical creativity discards altogether the flattening totalities of received postmodern formulations

The Book Monthly James Milne, 1908

Canadian Books in Print. Author and Title Index, 1975

Picturing Canada Gail Edwards, Judith Saltman, 2014-07-31 The study of children s illustrated books is located within the broad histories of print culture publishing the book trade and concepts of childhood An interdisciplinary history Picturing Canada provides a critical understanding of the changing geographical historical and cultural aspects of Canadian identity as seen through the lens of children s publishing over two centuries Gail Edwards and Judith Saltman illuminate the connection between children s publishing and Canadian nationalism analyse the gendered history of children s librarianship identify changes and continuities in narrative themes and artistic styles and explore recent changes in the creation and consumption of children s illustrated books Over 130 interviews with Canadian authors illustrators editors librarians booksellers critics and other contributors to Canadian children s book publishing document the experiences of those who worked in the industry An important and wholly original work Picturing Canada is fundamental to our understanding of publishing history and the history of childhood itself in Canada

Archival Reflections Santiago Juan-Navarro, 2000 Due to its scope and perspective this work has a relevance that extends far beyond the conventional bounds of literary studies Concerned as it is with issues of historical understanding culture and politics it has implications for the literary histories of Spanish America and the United States as well as for the fields of inter American and cultural studies literary theory and historiography
