The Summer of Good Intentions Wendy Francis, 2015-07-07 Cape Cod summers are supposed to remain reassuringly the same but everything falls apart when three sisters and their families come together for their annual summer vacation and they are carrying more secrets than suitcases Maggie is the oldest She feels responsible for managing the summer house and making sure everything is as it always has been But she's hurt that her parents' recent divorce has destroyed the family's comfortable summer routines and her own kids seem to be growing up at high speed Is it too late to have another baby Jess is the middle sister She loves her job but isn't as passionate about her marriage She's not sure she can find the courage to tell Maggie what she's done much less talk to her husband about it Virgie is the youngest her dad's favorite She's always been the career girl but now there's a man in her life Her television job on the west coast is beyond stressful and it's taking its toll on her emotionally and physically She's counting on this vacation to erase the symptoms she's not talking about The Herington girls are together again with their husbands and kids for another summer in the family's old Cape Cod house When their mother Gloria announces she's coming for an unscheduled visit with her new boyfriend no one is more surprised than their father Arthur who has not quite gotten over his divorce Still everyone manages to navigate the challenges of living grown up lives in close quarters until an accident reveals a new secret that brings everyone together in heartbreak and then healing Poignant compelling and so real that you could shake the sand out of the pages *The Summer of Good Intentions* is by a rising star who aims her fiction square at the heart of readers who love Elin Hilderbrand Dorothea Benton Frank and Mary Kay Andrews

Not Just Bad Kids Akeem Nassor Marsh, Lara Jo Cox, 2022-01-25 *Not Just Bad Kids* The Adversity and Disruptive Behavior Link explores the theory that all behavior makes sense in context If you understand a person's frame of reference their background history and experience you can imagine what might be driving their behavior The book describes the social cultural and environmental factors that shape the lives of many youths including early childhood attachment which sets the foundation for how they interact with authority figures The book also delves into an explanation of conduct disorder which is characterized by persistent repetitive behaviors that violate the basic rights of other human beings and break rules Studies have shown that conduct disorder affects 1-4% of adolescents in the United States and oppositional defiant disorder is estimated to develop in approximately 10-2% of children The presence of DBD is also known to be more prevalent in boys than it is in girls As there is a growing need to understand why children and adolescents exhibit signs of hostility defiance and isolation this book is an ideal resource for this timely topic Encompasses both ODD and conduct disorder Introduces readers

to the social cultural and environmental factors that play a crucial part in disruptive behavior Demonstrates the interrelationship of attachment problems chronic trauma and disruptive behavior Discusses current best practices for intervention and treatment in youth with disruptive behaviors Provides casework examples of patients with disruptive behavior disorder

E Fateful Hazards R. Drew Springfield,2012-09-26 In this the 2nd book of the E series characters and events brought to the reader in Troubled Destiny draw Elaine and Ryan deeper into a quagmire neither of them expected Their lives after all are filled with work and duties and a newfound love still struggling to take hold and flourish Over the next 70 days however bliss turns to suspicion tragedy and fear from Istanbul Turkey to the plains of Troy and finally to the bay city of Izmir nestled beside the waters of the Aegean It is the summer of 1971 an idyllic time for those fortunate enough to grasp it It is also a period on the edge of turmoil soon to envelope the world when terrorism takes hold with hijackings suicide bombers assassinations and the mass killing of civilians as a means to an end The difference between now and 1971 is the absence of rules those guideposts that were followed for much of the cold war in an honorable game of spy and counterspy The rules no longer apply in this age of terror but even then they were beginning to slip making the idyllic susceptible to the hazards of circumstance and fate Follow the journey through this maze of intrigue as it ends with one more mystery to solve in the last of this trilogy
