Fluency Kindle Edition Jennifer Foehner Wells:

Fluency Jennifer Foehner Wells, 2014-12-11 This edition of the bestselling novel FLUENCY Confluence Book 1 is suitable for Young Adult readers or those who are sensitive to adult language or sexual themes In movie parlance it's a PG rated version NASA discovered the alien ship lurking in the asteroid belt in the 1960s They kept the Target under intense surveillance for decades letting the public believe they were exploring the solar system while they worked feverishly to refine the technology needed to reach it The ship itself remained silent drifting Dr Jane Holloway is content documenting nearly extinct languages and had never contemplated becoming an astronaut But when NASA recruits her to join a team of military scientists for an expedition to the Target it's an adventure she can't refuse The ship isn't vacant as they presumed A disembodied voice rumbles inside Jane's head You are home Jane fights the growing doubts of her colleagues as she attempts to decipher what the alien wants from her As the derelict ship devolves into chaos and the crew gets cut off from their escape route Jane must decide if she can trust the alien's help to survive *Fluency Readers Set a (15)* Simmons, 2002-05

Roadmap to Fluency Berk Aydin, 2021-04-06 ROADMAP TO FLUENCY A comprehensive guide to language learning Your no nonsense evidence driven approach to language learning Brief summary Individual success stories are great to hear about but purely anecdotal This book is not only about what worked best for me or people that I know It is an easy to follow compilation of scientifically proven methods fitted into a framework that reads like a roadmap The journey begins on the day you decide to learn a new language and before you even know which one It then progresses to learning the alphabet if there is one understanding grammar practicing speech learning vocabulary and more This book will tell you not only how to go about all these essential building blocks but also when and for how long It entails a compilation of scientific studies and references to each of them to build the basis of this book's content There are many good ways to learn languages but a few methods particularly stand out I want to make sure that my readers know about them Everything in this book is easy to implement and will make your learning experience as smooth and efficient as possible What you will find is Evidence driven methods and how to make them work for you Advice on where to start and why A unique framework to understand and define the entire language learning journey Level appropriate guidelines different tools for different stages of the journey The complete roadmap from zero to fluency Roadmap to Fluency is the right book for anyone who wants fresh perspectives on language learning **Accelerated Fluency** Rick Dearman, 2010 *Fluency Guide* Diana Volkaviciute, 2019-12-24 Struggling to learn a foreign language You can become fluent even if you have a busy schedule bad memory or don't know where to start You will learn how to Study more efficiently Make the best use of your limited time and outsmart procrastination Open yourself to new possibilities in career Boost your motivation Get rid of false limiting beliefs Improve your listening speaking writing and reading Become fluent in your target language quickly And more The author who's a modern language tutor and polyglot will show you exactly how to improve your language skills and reach your learning goals
