But the single most important presentational tool known to man isn't a slideshow. It's you. Whether you're speaking to one person across a table, 20 people in a boardroom or 1,000 people in a ballroom, it's all about the words you say and how you say them. *The Presentation Coach* shows you how to use what you've already got to give you clarity, confidence and impact in every speaking challenge you will ever face.
