Good Bye Job, Hello Life Mira Tasich, 2014-10-16 Rejuvenate Yourself with Mira Tasich's Self Renewal Inspirations
Sincerely and candidly Mira Tasich writes of her personal rollercoaster journey from fear and self doubt to power and rejuvenation Goodbye Job Hello Life never lectures readers but offers them lessons on how to re invent and discover their hidden powers *Goodbye Crisis, Hello Success* RODCAS EDITORIAL, 2022-11-14 When I began to design this little book in my mind I imagined it as a validated sustainable and applicable reference tool for the daily life of my readers in it I use a very personal direct and objective language focusing more on the solutions that in problems and always trying to use simple examples This book is an invitation for you to analyze with me the characteristics of various crises the ways to address them and overcome them especially the dreaded economic crisis Goodbye Crisis Hello Success in essence is a realistic book where no magical solutions will be proposed but serious and proven formulations I hope that this is a pleasant read that you turn to these lines in search of solutions and that it is a respite for you in the midst of the storm Believe me every word was written with love enjoy this moment give yourself the time to digest everything and reflect as many times as necessary Getting into the matter a statement that I believe will be a fundamental pillar in what will come next is the following Although money helps solve many problems money cannot help you overcome a crisis why do I mention it because honestly I was one of the people who believed that money was the solution for everything words more words less Look it doesn't matter what kind of crisis you find yourself in injecting more money into an economic crisis will not solve the root problem money alone will not help you overcome an emotional or anxiety crisis it will sound like a cliché but I believe that the most powerful instrument for overcoming is yourself that is the executor or executor of the resources of your life time energy passion money enthusiasm etc You will start a hard and difficult journey that few people start and even fewer people finish it Take heart The result is worth it Goodbye Good Girl, Hello Me Kasey Edwards, 2025-03-04 A Good Girl is acutely aware of everyone's emotional state Except her own She was praised for not being difficult like other girls She must never get too big for her boots and must always be grateful So damn grateful She masks her own needs dreams and fears so thoroughly that she loses herself Until one day her smile falters her serenity cracks and a tiny long forgotten voice dares to whisper What about me And then all hell will break loose Kasey Edwards bestselling author of Raising Girls Who Like Themselves has helped thousands of families bring up kids to believe in themselves She decides it's time to apply her research and strategies to herself Her journey of learning to like herself unpicks the worth crushing beliefs taught to girls But it's not just Kasey's story It's about all of us Raw irreverent and deeply relatable Kasey dares to voice what many women think but few say out loud This poignant memoir will confirm what you've long suspected that you deserve more And it will show you how to rediscover who you were always meant to be Then you too can say Goodbye good girl hello me *Goodbye Motherhood, Hello Me!* Melanie Hope, 2023-06-14 A mom is always a mom whether she has an infant a teen or a middle aged son or daughter From the

Clayton,Faye J. Crosby,2025-10-01 Justice Gender and Affirmative Action by Susan D Clayton and Faye J Crosby offers a deep dive into the complex debates surrounding affirmative action through the lens of gender and social psychology Addressing the persistent gender disparities in the workplace the authors argue for the necessity of affirmative action to combat ingrained biases and structural inequalities that permeate both economic and sociological dimensions They use the theory of relative deprivation to illustrate how societal injustices can be overlooked by both victims and society underscoring the importance of proactive measures like affirmative action The book analyzes various judicial precedents shaping the discourse and application of

affirmative action highlighting their impact on women's progress particularly white women who have benefited significantly from these programs. With insights drawn from numerous studies, the authors argue that affirmative action is essential and propose strategies for its effective implementation, emphasizing that these policies should address systemic biases rather than attempt to compensate for perceived deficiencies within marginalized groups. Through a meticulous examination of the controversies and criticisms of affirmative action, Clayton and Crosby guide readers towards a nuanced understanding of its necessity in promoting justice and equity in contemporary society.
