Study Guide and Working Papers to Accompany Introductory College Accounting, with Microcomputer Applications, Second Edition Henry J. Kaluza, 1992 A Comparative Study of R. K. Narayan and Arundhati Roy: Linguistic and Literary Aspects N. Prasanna Lakshmi, 2020-11-23

Broadly speaking Indian English IE is that variety of English used by a large number of educated Indians as a second language Kachru 1983 used the term Indian English for the variety of English used generally in the South Asian countries David Crystal 2003 observes that in India the numbers of English speakers outrank the combined number of speakers in USA and UK A considerable body of creative writing is also produced in English and is increasing steadily Writers like Mulk Raj Anand R K Narayan and Raja Rao and Arundhati Roy have become part of India's literary tradition and they may continue to hold their status in world literature too The use of Indian English in different domains in interaction with other regional languages has resulted in its development and recognition as a distinct variety in its own right It is an attempt to study the styles of two of the prominent writers of Indian English namely R K Narayan and Arundhati Roy by examining the different linguistic and literary aspects as reflected in their selected fictions R K Narayan's Swami and Friends SF and The Guide TG and Arundhati Roy's The God of Small Things GST An examination of selected fictions of the two writers of this study has shown that stylistic analysis can be a rich field of enquiry in Indian English Studies of the present kind can be used as a source material for applied linguistics They can be extended for a comparative study of stylistic traits of Indian writers and non Indian writers The study suggests the possibility of further research in comparative stylistic studies in Indian English fiction on the one hand and American British or Australian fiction on the other Our comparison of the two writers one of the colonial period and the other belonging to the post colonial period suggests that a more extensive stylistic study of Indian writing in English is called for to understand the changing phases of English in the socio cultural ethos of the Indian society The book is organized as follows Chapter I is an introduction to Indian English its importance and the objective of the research Chapter II deals with review of literature on Indian English as well as stylistic studies in Indian English fiction Chapter III is concerned with a brief introduction to the texts chosen for study Chapter IV discusses the methodology adopted in the study Chapter V deals with the results of the study and makes a comparison between the two authors styles Chapter VI consists of a summary of the research and concludes with suggestions regarding further research needs The Elgar Guide to Tax Systems Emilio Albi, Jorge Martinez-Vazquez, 2011-01-01 Tax systems have changed considerably in the past three decades These fundamental changes have been the result of economic globalization new political stances and also of developments in public finance thought The chapters in this volume offer a critical review of those changes from the perspectives of tax theory policy and tax administration practice and the political economy of taxation The authors also consider what sort of reforms are worth undertaking in tax policy design tax administration and enforcement and the assignment of sub national taxes The authors in

this volume are among the top scholars in the study of public finance The development of tax systems in OECD countries is examined as are various methods of taxation direct versus indirect corporate income tax value added tax and others employed throughout the world The politics of public finance and the institutions used to administer it are also analyzed Reflecting on the influence of the research itself Richard Bird closes the book with a chapter exploring whether or not economic literature has focused on the issues and problems that really matter to policymakers and whether it has influenced the development of tax systems Publisher's website
