Becoming T. S. Eliot Jayme Stayer, 2021-10-05 How did an ordinary if intelligent boy who wrote unremarkable poems become with no help and in record time the author of one of the most significant and beloved poems of the twentieth century T S Eliot's juvenilia show little inclination to question the social cultural religious or domestic values he had inherited How did a young man who wrote uninspired doggerel about wilting flowers transform himself in a mere twenty months into the author of *The Love Song of J Alfred Prufrock* In *Becoming T S Eliot* Jayme Stayer praised by Christopher Ricks as a scholar who is scrupulous in acknowledging the contingencies that will always preclude perfection explains this staggering accomplishment by tracing Eliot's artistic and intellectual development Relying on archival research and original analysis this is the first book dedicated entirely to Eliot's youthful notebook which was once thought lost but was rediscovered after Eliot's death Stayer places Eliot's verses in the chronological order of their composition teasing out the narratives of their making Focusing on the period from 1909 to 1915 this incisive portrait of Eliot as a budding writer is as much a study of Eliot himself as it is a study of how a writer hones his voice
