that once appeared in a Richard Curtis movie That is until the MURDER Former stand up comic Juno Mulligan has been suffering a serious sense of humour failure Not only has she lost the love of her life but she s having to relocate to the admittedly idyllic village of Inkbury to watch out for her elderly mother who she s genuinely worried might be marrying a wife killer She hopes that her old friend disgraced journalist turned novelist Phoebe Fredericks can help her crack the case of whether her mother s perma tanned iceberg smiled three times a widower fianc is hiding a murderous past But before they have a chance the local art dealer washes up distinctly dead in the village s famous river His lover is in the frame but Juno and Phoebe suspect that there is a deeper secret One that relates to Phoebe s own past and Juno s present Will the unofficial Village Detective Agency solve the mystery before the killer strikes again In sleepy Inkbury as they soon discover living one s best midlife can be murder An utterly gripping cozy crime mystery from million copy bestselling Fiona Walker guaranteed to absolutely delight fans of Richard Osman Janet Evanovich and the Reverend Richard Coles Readers love Fiona Walker Loved it Couldn t put it down Keeps you on the edge of your seat Reader review Witty addictive and with plenty of drama to sink your teeth into Entertaining from beginning to end Fantastic Reader review There were times when I belly laughed so loudly I had to put my hand in front of my mouth to stifle it This would be during a binge read until 2 a m Reader review I stayed up WAY too late gulping down the last few hundred pages I simply could not put it down I thoroughly enjoyed the sparkling wit Pure escapism pages and pages of thrilling relationships turmoil and love Reader review One of my all time favourite authors Love the characters the plot everything about it Reader review I LOVE LOVE LOVE LOVE THE WAY THIS UNFOLDS Reader review Walker writes with such vitality that all the characters are instantly brought to life She s funny moving and not too OTT in her interpretation of life s little eccentricities Reader review Laugh out loud funny Reader review I loved this so strongly and with such enthusiasm that I became devoted to Fiona Walker for life Reader review I love love love this book Reader review One of my all time favourites Laugh out loud funny in places poignant and touching in others This book really has it all Incredibly well written Reader review *Torrent* Amanda Gearing,2017-01-30 Six years on from Queensland s tragic inland tsunami this new edition of *The Torrent* reconnects with the survivors at the heart of the catastrophe On January 10 2011 after weeks of heavy rain and as floodwaters began to overwhelm much of southeast Queensland a wall of water hit Toowoomba and the Lockyer Valley *The Torrent* tells the extraordinary stories of survival and loss that emerged from that terrible day *A Guide to Non-Cash Reward* Michael Rose,2011-02-03 The single most significant cause of motivation problems can be a lack of basic day to day recognition Taking recognition seriously can soon have a major impact on the effectiveness of your business *A Guide to Non Cash Reward* takes the reader through the different types of recognition and teaches you how to implement recognition programmes With key learning points from public and private sector organizations it gives valuable advice on the value of recognition how and when you should recognize people use of non cash rewards prizes and gifts to incentivize costs and budgeting how to implement strategies

pitfalls to avoid With case studies from powerful international companies A Guide to Non Cash Reward is an essential read at a time when salaries are under pressure and staff are more important than ever **The Torrent** Amanda Gearing,2013 Of all the extraordinary stories to emerge from the catastrophic Queensland floods of January 2011 the most starkly tragic and dramatic were those that came out of Toowoomba and the Lockyer Valley The Torrent is a unique and powerful account of the devastating power of nature and the enduring resilience of the human spirit *Netspaces* Katharine S. Willis,2017-05-15 The focus of this book is on understanding and explaining the way that our increasingly networked world impacts on the legibility of cities that is how we experience and inhabit urban space It reflects on the nature of the spatial effects of the networked and mediated world from mobile phones and satnavs to data centres and wifi nodes and discusses how these change the very nature of urban space It proposes that netspaces are the spaces that emerge at the interchange between the built world and the space of the network It aims to be a timely volume for both architectural urban design and media practitioners in understanding and working with the fundamental changes in built space due to the ubiquity of networks and media This book argues that there needs to be a much better understanding of how networks affect the way we inhabit urban space The volume defines five characteristics of netspaces and defines in detail the way that the spatial form of the city is affected by changing practices of networked world It draws on theoretical approaches and contextualises the discussion with empirical case studies to illustrate the changes taking place in urban space This readable and engaging text will be a valuable resource for architects urban designers planners and sociologists for understanding how of networks and media are creating significant changes to urban space and the resulting implications for the design of cities *Energy and Motorization in the Automotive and Aeronautics Industries* Tomasz Krynski,François Malburet,2020-10-09 The book is intended for students in engineering school or university young engineers or newcomers in the automotive industry or aeronautics The objective is to describe in a simple and clear way the problem of energy and motorization for the automobile helicopters or airplanes The front end treatment of these industrial sectors makes it possible to analyze in an original way the similarities and differences of these different means of transport For this and based on current technologies and tomorrow it specifically describes the problem of the energy requirement of cars and aircraft The result is a search for an ideal motorization associated with the behavior of these different means of transport followed by the analysis of the performances of the various types of engines by covering gas turbines internal combustion engines and electric motors Transmission elements such as aerospace gearboxes or gearboxes are described as well as a chapter on energy storage means and their performance including batteries supercapacitors inertial or pneumatic storage hydrogen or fuels from fossil fuels A final chapter shows the interest and prospects of energy hybridization and electrification for the progressive replacement of fossil fuels Beyond the technological descriptions the book focuses on proposing basic sizing rules in order to justify certain performances and to give the reader the means to appropriate the basic know how of these industrial sectors **It All**
