PARENT & FAMILY ORIENTATION

Dear Future Triton Parents and Families,

We could not be happier that your student has chosen to continue their education at the University of Missouri-St. Louis. All new students are required to complete an Orientation, but YOU are invited and strongly encourage to attend as well! Our Parent & Family Orientation is designed to help families assist their student in developing expectations, academic pathways, and easing the transition to the University.

We have lots of information to share with your student, but there is a lot of filling in the blanks that families are expected to do when your student calls home and isn't sure where to go or what to do. We want to help you support your student, and the best way to do that is to get acquainted with our campus and the expectations placed upon your student.
