Iris Folding Patterns:

Iris Folding Cards for Life's Special Moments, 2014-09-01 The fresh and unique iris folding projects featured in this book are perfect for commemorating special occasions with beautiful handcrafted greeting cards. Intended for crafters at an intermediate skill level, the 20 designs employ both traditional and nontraditional iris folding techniques and make use of materials ranging from fabric tissue paper, cardstock, ribbon, and specialty papers. Patterns and apertures can be mixed and matched to create unlimited design options; paper can be altered to add texture, and recycled materials can be used to fashion unique finishing touches. The end result will be beautifully made greeting cards to share with cherished friends and family.

The Simplicity of Iris Folding Sarah Decker, 2007-10 Iris Folding is a fun and exciting way for all people to make spectacular greeting cards and framed art. This craft, using a simple paper folding technique, is done using a template, cardstock, and colored paper strips. Some of the most popular papers used are colored envelopes, gift wrap, origami, and scrapbooking papers and holographic paper. This book is packed with over 40 full-sized templates and patterns designed to fit a 5x7 greeting card or frame. It also includes something you won't find in other Iris Folding books. You will find instructions on how to make your own patterns and templates using a very simple method. Also, the book would not be complete without including four pages filled with greetings for placing inside your greeting cards. This could be the only book you'll ever need on Iris Folding.

130 Iris Folded Cards to Make Maruscha Gaasenbeek, 2011 Iris folding is a simple technique that involves folding papers to create beautiful spiralling patterns that are similar in shape to the iris aperture of a camera. In this book, Maruscha Gaasenbeek shares with you her love of iris folding, providing templates and clear instructions for 130 beautiful greetings cards based on iris folded designs. It combines three previously published books by the same author: *Iris Folding With Love*, *Iris Folding For Fun*, and *Iris Folding a Full Year*, and represents a fantastic source of inspiration and ideas for cards for all occasions.
