Mentoring Languages Teachers in the Secondary School Laura Molway,Anna Lise Gordon,2025-05-21

Mentoring Languages Teachers in the Secondary School helps mentors of beginning languages teachers in both developing their own mentoring skills and providing the essential guidance beginning teachers need as they navigate the roller coaster of the first years of teaching. Offering tried and tested strategies based on the best research and evidence, it covers the knowledge, skills, and understanding every mentor needs and offers practical tools such as lesson plans, feedback guides, observation sheets, and examples of dialogue with beginning languages teachers. Research suggests that the role of the mentor is highly influential to the beginning teacher, and this book considers language-specific aspects as well as a focus on the holistic well-being of the beginning teacher. Together with analytical tools for self-evaluation, this book is a vital source of support and inspiration for all those involved in developing the next generation of outstanding languages teachers. Key topics explained include the following: Roles and responsibilities of mentors; The subject knowledge and understanding required by beginning languages teachers; The lesson planning process; Guidance on teaching core skills of reading, writing, speaking, and listening; Development opportunities for languages teachers; Observations and pre and post lesson discussions. Filled with the key tools needed for the mentor's individual development, this new text offers an accessible guide to mentoring languages teachers with ready-to-use strategies that support, inspire, and elevate both mentors and beginning teachers alike. [Start Seeing and Serving Underserved Gifted Students](#) Jennifer Ritchotte, Chin-Wen Lee, Amy Graefe, 2020-10-21. 2020 TAGT Legacy Book Award for Educators. Winner. Flexible tools help teachers see, understand, teach, challenge, and advocate for underserved gifted students. The underrepresentation of students from historically marginalized populations, including English language learners, twice exceptional students, culturally and linguistically diverse students, and economically disadvantaged students in our gifted programs and services continues to be a critical issue in education. The importance of a caring and committed teacher who sees and supports the potential in all learners and who respects linguistic diversity and students' cultural identity cannot be overstated; yet teachers need the knowledge and training to do so. This reader-friendly guide meets that need, promoting equity in gifted education by providing teachers with a variety of flexible tools to nurture the academic and affective growth of their gifted students from traditionally underserved populations. Over fifty strategies are outlined within five chapters, addressing how teachers can see, understand, teach, challenge, and advocate for their underserved gifted learners in all content areas. The authors share numerous student quotes, teacher anecdotes, and spotlights on successful school efforts. Digital downloads include all forms from the book and a PDF presentation. A free PLC Book Study Guide for use in professional development is also available.
