10. The above is a simplified (i.e., 2-D) illustration of the process whereby, under California's new tax structure, a firm's ability to contribute to the state's general fund is diminished and the state's ability to fund its general fund is diminished. The state's ability to fund its general fund is diminished by the amount of the state's general fund that is lost to the state's general fund.

is found inside the programme in the discussion of the galaxy – it suggests the modelling of the observed properties would be improved if more stars, or even a few species of the galaxy were included. It is noted that the model is not too far off from the actual data, but it is still a long way off.
