

# College Essay Example

Modern globalized world demands to keep the track of events, to have a keen sense of the pulse of the situation in global issues and flashpoints. To be on good terms with information and in order not to fall behind its vicious circle one should possess the skills of communication, being socio-active and re-act rapidly under the certain sudden circumstances. A noble wish to make the live easier has led to the fact that people lack time for creation and even for themselves. Nevertheless, this is just the broad sense. Every single invention is a tool to serve people. Progress as the headway of mankind does not suggest and does not explain people's degradation. Each single invention is the pure form of expression to the so-called ratio of a human being. So was the invention of photography.

What are the accomplishments and perspectives of the art of photography? What are the modern trends in photography? Is it connected to life as any other art-form? These are the objectives to be discussed further.

## CRITICAL ART ESSAY

"The camera should be used for a recording of life, for rendering the very substance and quintessence of the thing itself, whether it be polished steel or palpitating flesh." (Weston)

The history of the photograph started in 1827. Since that time it has given "a new perspective on life and art". The style of photography varies since the "number of photographers is increasing" Almost two centuries have passed
