**The Report: Dubai 2015** Oxford Business Group,2011-01-12 Already a regional and global centre for business and finance Dubai's reputation has been bolstered by the MSCI's decision to upgrade the UAE from frontier to emerging market status in 2014 while the emirate's successful Expo 2020 bid is expected to generate myriad opportunities for private investors across a range of sectors Construction is thriving once again driven in large part by strong retail sector growth with various projects including plans for the world's largest mall indicating that the sector will maintain its position as the emirate's biggest GDP contributor moving forward The transport and logistics framework is set for major expansion in the coming years as well furthering cementing the emirate's status as a leading transport and logistics hub not just regionally but globally too The continued development of Dubai's retail and hospitality offerings alongside the upgrades to its airports should help to ensure robust growth in visitor numbers from both the region and further afield *The Report: Dubai 2018* , Dubai has continued to meet its targets in becoming the global capital of Islamic finance nearly doubling the number of sukuk Islamic bonds listings on its exchanges since 2017 Furthermore eased policy restrictions to encourage foreign investment and the 2019 budget's continued commitment to infrastructure development ahead of Expo 2020 are expected to continue driving economic activity As one of the most diversified economies in the region Dubai continues to present growth opportunities in various sectors including tourism logistics manufacturing and education Although the emirate has benefitted from its proximity to oil and gas fields Dubai is right at the forefront of the emerging cleaner energy world and developing and promoting renewable technologies including solar energy and electric vehicles , **Military Construction, Veterans Affairs, and Related Agencies Appropriations for 2017** United States. Congress. House. Committee on Appropriations. Subcommittee on Military Construction, Veterans Affairs, and Related Agencies,2016 [The Power to Heal](#) David Barton Smith,2016-07-01 In less than four months beginning with a staff of five an obscure office buried deep within the federal bureaucracy transformed the nation's hospitals from our most racially and economically segregated institutions into our most integrated These powerful private institutions which had for a half century selectively served people on the basis of race and wealth began equally caring for all on the basis of need The book draws the reader into the struggles of the unsung heroes of the transformation black medical leaders whose stubborn courage helped shape the larger civil rights movement They demanded an end to federal subsidization of discrimination in the form of Medicare payments to hospitals that embraced the separate but equal creed that shaped American life during the Jim Crow era Faced with this pressure the Kennedy and Johnson Administrations tried to play a cautious chess game but that game led to perhaps the biggest gamble in the history of domestic policy Leaders secretly recruited volunteer federal employees to serve as inspectors and an invisible army of hospital workers and civil rights activists to work as agents making it impossible for hospitals to get Medicare dollars with mere paper compliance These triumphs did not come without casualties yet the story offers lessons and hope for

realizing this transformational dream This book is the recipient of the Norman L and Roselea J Goldberg Prize from Vanderbilt University Press for the best book in the area of medicine *The Report: Dubai 2019* Oliver Cornock, Near term sentiment is on the rise amongst Dubai s business leaders with the IMF forecasting a healthy GDP growth rate of 4.2% in 2019 for the emirate While not as exposed as some of its regional neighbours to the effects of fluctuating commodities prices in recent times Dubai nevertheless stands to benefit from the knock on effects of higher prices over the last year *Ghost Protocol* Carlos Rojas, Ralph A. Litzinger, 2016-08-04 Even as China is central to the contemporary global economy its socialist past continues to shape its capitalist present This volume s contributors see contemporary China as haunted by the promises of capitalism the institutional legacy of the Maoist regime and the spirit of Marxist resistance China s development does not result from historical imperatives or deliberate economic strategies but from the effects of discrete practices the contributors call protocols which stem from an overlapping mix of socialist and capitalist institutional strategies political procedures legal regulations religious rituals and everyday practices Analyzing the process of urbanization and the ways marginalized communities and migrant workers are positioned in relation to the transforming social landscape the contributors show how these protocols constitute the Chinese national imaginary while opening spaces for new emancipatory possibilities Offering a nuanced theory of contemporary China s hybrid political economy *Ghost Protocol* situates China s development at the juncture between the world as experienced and the world as imagined Contributors Yomi Braester Alexander Des Forges Kabzung Rachel Leng Ralph A Litzinger Lisa Rofel Carlos Rojas Bryan Tilt Robin Visser Biao Xiang Emily T Yeh **Medical Record** George Frederick Shrady, Thomas Lathrop Stedman, 1916 **Baptists Worldwide** Erich Geldbach, 2022-07-06 The diverse Baptist movement goes back to the separatist wing of English puritanism The book first describes the history and missionary expansion of this movement It then lays out its teachings on baptism eucharist and ministry its commitment to religious liberty and human rights its socio political involvement as well as the role of women in the church Finally exemplary details of Baptist existence in the local congregations and Unions Conventions from around the world provide insight into the colorful life work order and faith of a global people held loosely together by its World Alliance All thirty essays are written by experts in their fields from all continents **Proceedings**, 1979 **K.I. Sawyer Air Force Base (AFB), Disposal**, 1996 **Tourism, Philanthropy and School Tours in Zimbabwe** Kathleen Smithers, 2024-08-05 This book explores the phenomena of school tours and tourism It explores tensions of authenticity and artificiality in the school site being both a place of community learning and a spectacle for tourism consumption Through the example of a school in Matabeleland North Zimbabwe the book examines the act of a school tour whose main aim is to providing fund for the school It offers a unique interdisciplinary lens that examines both the school as a tourism destination and as a site of learning By drawing on these two fields the book provides insights into the tensions inherent in a school that is also a tourism destination This book will demonstrate to readers the tensions present in tourism partnerships with schools that include some source of

philanthropic funding and unpack the complexities of tourism that draws on stereotypical cultural images It explores these tensions through the lens of school leaders students teachers and tourism personnel The book provides a major and unique contribution to the field of tourism studies and education It will be of interest to students and researchers interested in tourism studies sociology education philanthropy development studies and the Global South

**My Conscience** U Kyaw Win,2016-07-08 Since gaining its independence from British colonial rule in 1948 Burma s history has been cursed The military raped the resource rich country for fifty years and drove its people to penury Activists who advocated for democracy were imprisoned tortured and exiled Civil society institutions were ground into oblivion My Conscience An Exile s Memoir of Burma is U Kyaw Win s compelling account of the bleeding of his homeland by the military Born during the waning days of colonial rule he experienced the brutality of Japanese occupation and the heady early days of independence He studied abroad and acquired the skills that his country would need but when the military seized power in 1962 he was made stateless and not allowed to return home for forty years This memoir tells the story of his lifelong efforts to attract international attention to Burma s destruction and to restore freedom to his homeland Win s memoir chronicles the struggles that he and those who fought for their country s freedom faced He recounts the giants in Burma s struggle he met in his pursuit At this historical moment in 2016 it is uncertain whether the elected civilian majority in parliament will take office and if the military will permit a government of the people s choice to rule

Urban Transport Systems G. Passerini,C. Borrego,2020-04-02 Better urban transport systems are needed to achieve a healthier environment and as a result a wide range of research has originated

from many different countries These studies highlight the importance of innovative systems new approaches and original ideas which need to be thoroughly tested and critically evaluated before they can be implemented in practice To address the need to solve important pollution problems the papers included in this book focus on the relationship with urban transport There is also a growing need for integration with telecommunications systems and IT applications in order to improve safety security and efficiency The variety of topics covered in this volume reflects the complex interaction of the urban transport systems with their environment and the need to establish integrated strategies The aim is to arrive at optimal socio economic solutions while reducing the negative environmental impacts of current transportation systems

**Histories of Productivity** Peter-Paul Banziger, Mischa Suter, 2016-07-15 Global issues such as climate change and the aftermath of the 2008 financial crisis have spurred interest in thinking about the history of the modern economy that goes beyond disciplinary economic history This book contributes to the cultural history of capitalism and its different regimes of productivity by pursuing the perspective of body history and by providing a global scope Throughout modernity the body served as a fundamental albeit essentially changing linchpin for both the organization of economic practices and for intellectual reflections on the economy In particular it was the pivotal interface to render notions of economic productivity intelligible The book explores this central thesis in a range of case studies drawing on source material from West Africa Europe Mexico and the US Framed by a theoretically informed introduction which also provides a conceptual history of notions of productivity and by an afterword that brings the approaches explored in this volume into dialogue with scholarship inspired by Marx and Foucault the individual chapters tackle the concept of productivity from a wide array of angles each illuminating the promises and problems of a cultural take on the history of economic productivity

**Doctor John Remembers** John Henry Moore, 2023-05-16 This is the story told in nearly two hundred short recollections of a surgeon from a family of surgeons raised in the Arkansas oil country of the Jim Crow South A churchgoer from his childhood he came to a saving knowledge of Christ along with his wife Cathy only in the late 1970s And from that turning point they proved themselves to be choice servants of the Lord in countless ways in John's case as a deacon a surgeon in the Amazon region a denominational and parachurch board member a conference speaker in Eastern Europe a free clinic doctor in Southwest Missouri and a church staff member Along the way he took note of a host of engaging events characters and conversations whether among fellow Air Force doctors on parade with medical colleagues observing a gratifying ancillary effect of defibrillation or in the company of an aunt who introduced him to Roy Rogers and Stan Musial There was even an Elvis sighting The book is rich in theological ecclesiological missiological familial sociological psychological and medical narratives and observations
