

# Stage 1

## Rhythmic exercises

The rhythmic exercises are really important. Always practise them carefully before going on. There are different ways of doing these exercises:

- Your teacher (or a metronome) taps the lower line while you clap or tap the upper line.
- You tap the lower line with your foot and clap or tap the upper line with your hands.
- You tap one line with one hand and the other line with the other hand on a table top.
- You tap the lower line and sing the upper line.

Before you begin each exercise count two bars in – one out loud and one silently.

## Melodic exercises

Set 1: Exploring the open D string

Hear each exercise in your head before you play it.
