This book brings together the best dishes from recetasderechupete.com, one of the most popular recipe blogs in Spanish. This title features 107 easy recipes with step-by-step instructions, colour photos of every recipe, and lively personal anecdotes. **FOREWORD** I could tell you that this is a wonderful book. I could also tell you that this book is full of marvelous recipes illustrated with mouthwatering pictures which would make you dream of savoring these dishes one day. I could comment on how well explained all the tricks and techniques needed to cook these recipes are. I could do all this and I would not be lying. But instead, I rather talk about the author. A guy I liked from the minute I met him. He is full of good vibes and has always helped me and other gastro bloggers in every way he could. Alfonso is one of those odd people who likes everyone who does not fit the stereotype of a cautious Galician since he is bold and direct and on top of everything he is no dummy. I also deeply admire him for creating one of the best blogs in Spain, *Recetas de Rechupete*. You might be thinking that you couldn't care less about all this and that the personal qualities of the author are not necessary when judging the recipes in a cookbook. This could be true about a conventional cookbook but never about a blogger's cookbook. The main value in any blog is that it is personal; no one else could have written it. And when it comes to culinary blogs, it is important that they reflect the origins, experiences, tastes, and the obsessions of the person that is driving it. Both *Recetas de Rechupete* and the book are 100% Alfonso; they ooze earnestness and frankness, simplicity, closeness, but above all

the good food enthusiasm put into it by the author I would love to have my own Alfonso preparing all these meals for me enjoying his conversation But since this is impossible at least until the electronic author is invented I will just have to resign myself to having the book in my computer and reverting to it every time I am in the mood for an everyday meal Mikel Lopez Iturriaga El Comidista Blogger and journalist at elpais.com [The "I Love My Instant Pot®" 5-Ingredient Recipe Book](#) Michelle Fagone,2021-02-09 Officially authorized by Instant Pot 175 must have 5 ingredient recipes perfect for anyone looking to save time and effort all while using your favorite appliance the Instant Pot Now using the Instant Pot is easier and more convenient than ever with these 175 delicious simple and straightforward recipes using just five ingredients or less Perfect for people on the go this cookbook will help you make mouthwatering dishes for every meal of the day that the whole family will love Using ingredients that you probably already have on hand The I Love My Instant Pot 5 Ingredient Cookbook features fast and affordable recipes that don't require a lot of prep or shopping And best of all they're satisfying flavorful recipes you will want to make over and over again Including an easy to understand overview of your Instant Pot this cookbook has you covered for every occasion From breakfast to dinner and desserts and snacks in between you will save more time and money than ever while enjoying tasty food all day long *Cook's Illustrated Revolutionary Recipes* America's Test Kitchen,2018-10-23 2019 IACP Award Winner in the Compilations Category On the occasion of Cook's Illustrated's 25th anniversary we've gathered together our most extraordinary recipes and innovations from the past quarter century in this hands-on book packed with practical tips and techniques These recipes tell the story of how Cook's Illustrated has changed American home cooking through its signature blend of rigorous testing culinary research science and unorthodox approaches to developing foolproof recipes As fans know a big part of what makes the magazine so trustworthy and enjoyable to read is the essays that accompany each recipe tracing from initial brainstorming to aha moments and the occasional catastrophe to final success Rarely republished since they first appeared these feature length stories celebrate the art of food writing and the extensive work that goes into every recipe In addition to the recipes essays and helpful sidebars this book also features the trademark black and white illustrations that have become synonymous with Cook's Illustrated creative use of the beloved front and back cover art and a new addition gorgeous full color photographs of each dish Featured recipes include Perfect corn on the cob that never gets boiled ultracreamy tomato soup that's completely dairy free the fastest roast chicken recipe oven grilled London broil and ingenious low key approaches to traditionally high fuss recipes such as risotto French fries pie crust and many more *Jacques Pépin Quick + Simple* Jacques Pépin,2020 250 of master chef Jacques Pépin's classic and timeless recipes for unexpectedly polished and satisfying meals with minimal prep and cleanup *The Good Cook's Book of Salt and Pepper* Michele Anna Jordan,2015-07-21 It amazes me that so little has been written about the two foods we eat most often Here is a book that tells us about these two ingredients one essential to life the other the flavor of almost everything we eat A book like Ms Jordan's is long overdue James Peterson Salt is indispensable Pepper is superfluous
