A tale based loosely in reality this story traces the fortunes of the Ingles family in the West Riding coal fields around Wakefield Theirs is a saga that could be replicated time after time in an area where scratching a living wasn't easy and where coal drink and occasional infidelity played integral parts in the life of the community Their story starts in the mid 1940s and paints a picture of the privations endured the dramas enacted and the joys and sorrows shared in a town where all understood how hard it was to break free from the shackles of a traditional coal mining community constraints Potentially fifth generation coal hewers William and Jack Ingles did just that but at what cost to them and to their close family This is the first volume [Justice for Jack](#) Sqi Taylor,2009-08 Sqi Taylor pronounced SKY has lived an amazing life including over ten years of work in law enforcement 20 years working with both juvenile and adult offenders and being a foster parent to over 60 youth She has worked with prisons directed two non profit agencies owned her own business and was once nominated as a Woman of Distinction in her community In Casper Wyoming she and a handful of believers founded a Therapeutic Riding Academy for people with physical mental emotional financial or spiritual disabilities Her pen name is an on air name her daughter Lacy gave her while working as a radio personality as a second job to make ends meet Interestingly enough Sqi was a female action hero in a card collection of crime fighting characters Writing mostly as a passionate hobby for over 30 years this was the ONE story she was absolutely compelled to share with the world A tantalizing 23 year old unsolved homicide case turned into over six years of research ultimately leading back to a much older unsolved murder in Wyoming in 1949 and a mysterious death in Oklahoma in the 1970 s Eventually all roads led back to or were connected with the person who was finally arrested tried and convicted of Jack Humphrey s murder nearly twenty nine years after his death Whenever innocent blood is spilled in a cold bizarre manner the emotional mental and physical devastation is made even greater by either intentional or unintentional actions we naturally blame on the system Sad to say it s not the system just some people in it the choices and decisions they make Mishaps mistakes legal or local bias laziness political or personal agenda s more often than we realize only repeatedly re victimize families or people we love or that love us What followed the gruesome senseless slaying of Jack Humphrey was one of the most shocking cruel and riveting persecutions of a victim s family anyone could imagine How did the murder of an honest hard working family man of average means become such a

politically sensitive unsolved murder case and remain so for over a quarter of a century That s the billion dollar question you ultimately must answer for yourself Throughout this tumultuous journey it s clear that good men and women then and now risk careers their families lives and reputations every day either fighting for truth and justice or falling to the temptation of the oldest and still deadliest of sins Lust Lies Sloth Greed and Murder For any one left to navigate through a very tricky risky tedious and complex maze filled with paper and people Justice for Jack is a must read **My Brother Jack** Judy Ling,2001
