The highly anticipated new thriller from the New York Times bestselling author of *The Perfect Marriage* and *One of Us Is Dead*. You've opened up your house and your heart to a total stranger. What could possibly go wrong? Grace Evans, an overworked New Yorker looking for a total escape from her busy life, books an Airbnb on a ranch in the middle of Wyoming. When she arrives at the idyllic getaway, she's pleased to find that the owner is a handsome man by the name of Calvin Wells, and he's eager to introduce her to his easygoing way of life. But there are things Grace discovers that she's not too pleased about. A lack of cell phone service. A missing woman. And a feeling that something isn't right with the ranch. Despite her uneasiness, the two bond and start to fall for one another. However, as her departure date nears, things change for the worse. What began as a playful romance soon turns into a complicated web of lies. Grace grows wary of Calvin as his infatuation for her seems to have morphed to obsession. Calvin fears that Grace is hiding something from him, including her reason for staying at his ranch. To begin with, vacation flings typically end in heartbreak, but for Grace and Calvin, it'll be far more destructive. **My Guardian Angel** Lanny Saumer, 2009-09 What is that voice in your mind that is trying to guide you to make the right choice? Why have you survived events in your life that should have taken your life? *My Guardian Angel* approaches its reader on many levels. On a personal level, it is a story of a series of real-life events that turned a boy into a man. On a spiritual level, it is a testament of a person's faith in God's promise in Psalm 91 and how that person has made God real in his life. On an entertainment level, the stories are simply humanly emotional in that some are funny, some are suspenseful, some are sad, and some are happy. We all have stories about our life. We share them around the dinner table, on the front porch, or back deck, in the fishing boat, around the campfire, or maybe at work. Sometimes those moments bring about a story of confession that ends up answering a lifelong family mystery. Sometimes one of those stories might reveal something about you that nobody knows. **Twilight's Curse** J.
