Many of these ladies have sustained disappointments in relationships, crisis within the family, health, careers, financial loss, or perhaps in more than one area. They have journeyed so far and felt so much and now it is time to share some of their rich and varied experiences and encourage the sense of being there for each other. These experiences have helped to empower them to become the women that they are today. It is my hope that this very special book will help these ladies to give themselves and others permission to feel good and acknowledge all that they have accomplished. The purpose of this book is to build strength and self-esteem and provide insight for women who are currently experiencing life challenges. In a nutshell, it is a Self-Help book for distressed women to have hope. All of the ladies who have written these honest and sincere stories have learned to cope and are living productive lives today. **Baby Mistake** Alexis Winter, How to destroy your career in three easy steps: Step 1 Sleep with your boss; Step 2 Get pregnant by your boss; Step 3 Quit your job and run away from your problems. I don't need to be reminded I'm carrying his mistake. My only option: Run. *More Than Lust* L.L. McLane, 2012-11-12 More Than Lust lives up to its title with actually being more than lust. This book is more than the typical love story. It goes to the lives of a group of friends and through the years they grow apart. Does happily ever after exist? **Keep Your Head High, Eyes Wide Open, You Will See All** Bryce Bland, 2023-01-26 It was a cold night when Allie went to the barn to see Miracle. Miracle always seemed to make Allie feel better. Miracle, what am I supposed to do? Miracle nudged Allie with her nose. Miracle, please, I need your help. I never thought about being with a boy until later in life, but these feelings I have for Jake, I can't help it. I wonder if Jake feels the same way. Miracle stomped her foot in frustration. Oh, come on, Miracle. Allie turned around in shock for Jake was standing there. Oh my God, how long have you been standing there, and what did you hear? Well, I heard enough. Allie's face went beet red; she could not look at him. Allie could hear him getting closer until Jake was right in front of her. Allie, listen, please, I myself cannot stop these feelings, and if you leave your family and friends that you love so much, have you really thought what it will do to them? Not even including me. Allie looked up into his eyes. Allie, I would be so lost without you; you are part of me, my soul. Allie went to say something, but before she could, Jake's lips were on hers. A light came from deep down within her. Allie couldn't pull away, even if she wanted. Jake slowly backed off.
