It s hard to believe that less than four months ago everything had been so perfect my life had been right on track and the future had been more than bright it had been positively gleaming But I should have known that any light that shines too brightly is bound to burn out sooner or later and mine was abruptly extinguished on a Wednesday afternoon in late June It was results day and for most of my fellow final year uni students it was the day that either makes us or breaks us I just didn t anticipate that it would break me in such a way

My name is Lisa Simone Williamson and I used to be the luckiest girl in the world For starters I was rich Even better I was actually born into money My parents were once the proud owners of Simone Cosmetics one of the largest and most successful African American owned and operated cosmetic companies in the world My parents both came from very hard working families But their families worked hard for other people which was a concept that neither my mother nor father ever understood My parents believed that if they were going to work hard then they would work hard for themselves So when they met one another and realized just how like minded they were the twosome joined forces both personally and professionally got married and created what eventually became Simone Cosmetics After they had been married for a while and their company was up and running my parents decided that they were ready to start a family Not long after I came along I must admit I had quite a charmed childhood I lived in the most beautiful home that was located in the nicest part of town attended the best schools and had the greatest friends My parents also got me involved in their business early on because they had every intention on passing it down to me one day So I knew everything that there was to know about running Simone Cosmetics However my favorite aspect of the company was its dynamic marketing department I always loved watching the dapper men and glamorous women who worked in that area come up with creative and artistic ways to package and promote the wonderful products that my parents had created Once I graduated from high school and went off to attend one of the top universities in the country I decided to major in marketing Those college years were wonderful I met a lot of incredible people was taught by some of the best instructors and still remain close to the women I met when I pledged one of the top African American sororities in the country Alpha Kappa Kappa During the summers I would go home and intern at my parents company in the marketing department of course Those essential internships helped guide and motivate me and kept me focused Ultimately I always knew I would return to my parent's company upon graduation join the marketing team and work my way up until I was running the show But one of the most exciting experiences I had during college was meeting the man of my dreams David James David was the star of the basketball team and I was his biggest fan My sorority sisters and I were considered celebrities on our college campus and we always hosted the biggest parties and turned heads everywhere we went The basketball players were regular party goers and David and I would always flirt whenever we'd see one another

So I wasn't surprised when one of David's teammates who just so happened to be dating my best friend Janice passed a message along saying that David was interested in me

DIRTY RICH BOSS I was slightly drunk and I was frustrated. Mainly because I haven't had sex with someone in over a year. So I decided to slide into someone's DM's for fun. Only it wasn't fun, it was hot, sexy, and dirty. I didn't imagine this guy would be so good at dirty talking; he had an effect on me through the phone, and I could only imagine what he'd do on person. I was having fun texting him one afternoon at work, and when my boss called me to his office, I tried to look like I wasn't completely turned on. Until I noticed the massive bulge on his pants and our whole conversation on his phone screen. No, it can't be. I haven't been sexting my boss all this time. My sex on legs boss has a dirty mouth and huge dick. Oh, fuck me. Literally.
