Everyday Telepathy, Clairvoyance and Precognition Mary Barton,2010-08-23 Latest research and examples of telepathic clairvoyant and precognitive abilities Learn how to develop your extrasensory perception **The Oversoul Seven Trilogy** Jane Roberts,2011-07-08 Inspired by Jane Roberts own experiences as the author of the immensely popular Seth books these three novels now collected in one volume are one of the most imaginative tales ever written Jane Roberts beloved character Oversoul Seven an ageless student of the universe explores the entire framework of our existence As we follow Seven s education our own beliefs about life death dreams time and space are challenged and stretched leaving us with a refreshing and provocative perspective on the true nature of reality In The Education of Oversoul Seven Seven explores the true nature of his being as he learns to communicate with four of his incarnations four all too human people whose lives are separated by centuries yet who also coexist In The Further Education of Oversoul Seven the adventure continues with Seven facing new lessons as his human incarnations struggle with the problems of sanity free will and even godhood In the third saga of this exuberant adventure Oversoul Seven and the Museum of Time Seven is instructed to take up residence in a human body while also journeying to the Museum of Time in search of the Codicils The Codicils are eternal truths that bring about the greatest opportunities for vitality understanding and fulfillment The adventures of Oversoul Seven are at once an intriguing fantasy a mind altering exploration of our inner being and a vibrant celebration of life **The Magical Approach (A Seth Book)** Jane Roberts,2011-08-01 In The Magical Approach Seth invites us to look at the world through another lens a magical one Seth reveals the true magical nature of our deepest levels of being and explains how we have allowed ourselves to become inhibited by our own beliefs and conventional thinking The Magical Approach teaches us how to live our lives spontaneously creatively and according to our own natural rhythms It helps us to discover and tune into our natural instinctive behavior By applying the principles in this book readers will learn to trust their impulses and discover the highest expression of their creativity We are speaking about an approach to life a magical or natural approach to life that is man s version of the animal s natural instinctive behavior in the universe Jane Roberts Speaking for Seth *The Unknown Reality, Volume One* Jane Roberts,2011-07-08 From the Bestselling Author of Seth Speaks and The Nature of Personal Reality In this mind stretching journey into the very frontiers of consciousness Seth reveals the multidimensional nature of the human soul In Seth Speaks Seth introduced the concept of probable realities in which our idle daydreams and unfulfilled impulses do take place in which all possible choices are fully experienced by other portions of the self Now in this first volume of The

Unknown Reality Seth explains the dazzling labyrinths of unseen probabilities involved in any decision and how our awareness of these can enrich the waking life we know In a fascinating exploration of the cosmic web of our existence Seth reveals The purpose of dreams and how they are often fulfilled unconsciously Misconceptions about death and the afterlife How different probable realities intersect and influence one another The relationship between physical health and inner reality A series of exercises to help you discover the unknown portions of your greater identity The self is multidimensional when it is physically alive It is a triumph of spiritual and psychological identity ever choosing from a myriad of probable realities its own clear unassailable focus When you don t realize this then you project upon life after death all of the old misconceptions The fact is that in life you poise delicately and yet perfectly between realities and after death you do the same Jane Roberts Speaking for Seth **Seth Speaks (A Seth Book)** Jane Roberts,2012-04-01 One of the most powerful of the Seth Books this essential guide to conscious living clearly and powerfully articulates the furthest reaches of human potential and the concept that we all create our own reality according to our individual beliefs Having withstood the test of time it is still considered one of the most dynamic and brilliant maps of inner reality available today The Seth books present an alternate map of reality with a new diagram of the psyche useful to all explorers of consciousness Deepak Chopra Seth was one of my first metaphysical teachers He remains a constant source of knowledge and inspiration in my life Marianne Williamson I would like to see the Seth books as required reading for anyone on their spiritual pathway The amazing in depth information in the Seth books is as relevant today as it was in the early 70s when Jane Roberts first channeled this material Louise Hay **ESP Power** Jane Roberts,2000 *The Way Toward Health* Jane Roberts,2011-07-08 From the Bestselling Author of Seth Speaks and The Nature of Personal Reality In September 1984 the voice that had spoken for one of the most profound and prolific metaphysical teachers of the 20th century fell silent Seth the entity who described himself as an energy personality essence no longer focused in physical matter had spoken exclusively through Jane Roberts since 1963 During the long illness that led to her death Jane continued to channel Seth from her hospital bed but this final work was left unfinished Now in *The Way Toward Health* Jane s husband Robert Butts shares with us the intimate story of Jane s final days and the exquisite teachings that Seth gave during that time In an examination of the miracle of life in a human body Seth speaks about Why medicine and therapy often perpetuate illness How the practice of naming diseases can work against us The influence of religion in creating disease How children s health is influenced by parents beliefs Humor as an effective factor in healing Includes 8 page photo gallery Do not think of the mind as a purely mental entity and of the body as a purely physical one Instead think of both mind and body as continuing interweaving processes that are mental and physical at once Your thoughts actually are quite as physical as your body is and your body is quite as nonphysical as it seems to you your thoughts are You are actually a vital force existing as a part of your environment and yet apart from your environment at the same time Jane Roberts speaking for Seth in *The Way Toward Health* **The Unknown Reality, Vol 2** Jane Roberts,2011-07-08

From the Bestselling Author of *Seth Speaks* In this second volume of *The Unknown Reality* Seth radically expands our conceptions of self by showing us that the human personality is literally infinite in its scope and potential He discloses precisely how probable realities combine to create our waking lives and how our higher selves make decisions regarding our everyday existence In a far reaching exploration of the dynamics of desire and free will he asserts that each atom molecule and cell has its own consciousness and powers of choice With humor and simple analogies Seth leads us beyond our ordinary level of awareness into a spectacular discovery of the multidimensional nature of the self including Consciousness units as the basis of our universe The relevance of extrasensory perception in understanding our world The worlds we visit in dreams and out of body states Dreaming as a science to create present and future realities Families of consciousness we choose to belong to Practical methods for exploring your own unknown reality There is an unknown reality I am part of it and so are you Each individual is a part of the unknown reality To explore the unknown reality you must venture within your own psyche travel inward through invisible roads as you journey outward on physical ones I hope that in this book the reader can see the greater dimensions that touch ordinary living and sense the psyche's greater magic Jane Roberts *Speaking for Seth*

Mystic Apprentice Volume 5 Ken Ludden, 2011-10-01 The fifth in the series of textbooks to support the Ankhur Muse Mystic Apprenticeship program This volume covers the difference between clairvoyance and psychic abilities It chronicles the history of psychic phenomenon from King Saul to the present day Students at this level have mastered all of the most common skills and are ready to go beyond **The Nature of Personal Reality (A Seth Book)** Jane Roberts, 2011-10-01 In this perennial bestseller Seth challenges our assumptions about the nature of reality and shows us how we create our personal reality through our conscious beliefs about ourselves others and the world His message is clear we are not at the mercy of the subconscious or helpless before forces we cannot understand We are Gods couched in creaturehood Seth says We are given the ability to form our experience as our thoughts and feelings become actualized Seth was one of my first metaphysical teachers He remains a constant source of knowledge and inspiration in my life Marianne Williamson I would like to see the Seth books as required reading for anyone on their spiritual pathway The amazing in depth information in the Seth books is as relevant today as it was in the early 70s when Jane Roberts first channeled this material Louise Hay *The Acts of Creation* Don Ellison M.A., 2013-03-15 The Acts of Creation is a workbook that illustrates the tools and activities for expanding the intuitive psychic and spiritual senses utilizing hands on projects While primarily designed to be used by adults who work and or live with children it can also be utilized by anyone who wishes to expand their metaphysical scientific awareness This publication synthesizes contemporary and historical knowledge and my personal experiences in the areas of metaphysics quantum physics parapsychology and radionics Bridging metaphysics and science together is a main consideration of this publication developing into a concept I call Spiritual Sciences This book includes experts in fields of parapsychology quantum physics psychology and metaphysics and their research that is utilized to bring unfamiliar

knowledge to the forefront Included is new information on zero point energy technology and the Indigo children As you become more involved in the processes in this workbook you learn to create a stronger connection with the super conscious self In turn this workbook clarifies the relationship between the individual personality and the sacred enlightened self the Over Soul This connection will expand your awareness of other intelligent life in the universe As a learning specialist I bring to this publication a professional and practical viewpoint to the parameters of Affective education This methodology addresses the developmental levels of children creating a curriculum that expresses creativity exploration and the spark that ignites new experiences accelerating consciousness to the next level of awareness The intuitive processes learned from this workbook will assist individuals in providing a clearer understanding of the subtle mechanics of the intuitive psychic and spiritual senses This knowledge will make the understanding of one s life goals more insightful personal abilities stronger and spiritual dynamics clearer

The Nature of the Psyche Jane Roberts,2011-07-08 Seth speaking exclusively through Jane Roberts reveals a startling new concept of self answering questions about the secret language of love human sexuality the real origins and incredible powers of dreams and how we choose our physical death sometimes years in advance For the first time Seth explains Why love is the basic language from which all others spring The bisexual nature of humanity and its biological and spiritual importance The true basis of homosexuality and lesbianism along with their private and social effects The benefits of recalling our dreams and consciously participating in them How dreams can prevent chronic illnesses by providing important therapeutic information Simple exercises you can do to expand your awareness of the deeper portions of your psyche and stretch your abilities to their fullest potential The psyche is a gestalt of aware energy in which your own identity resides inviolate yet ever changing as you fulfill your potentials You are your psyche s living expression its human manifestation Yet you allow yourselves often to become blind to brilliant aspects of your own existence Jane Roberts Speaking for Seth Thieves of Innocence John Ankerberg,John Weldon,2012-06-20 This provocative expose documents the occult New Age influence that has invaded the public school system and what parents and educators can do about it Chronicles the people and philosophies that have set the course for current educational trends This book shows how our children are being turned away from traditional values They are taught to make decisions with the help of inappropriate or occult practices such as hypnosis or visualization meditation yoga altered states of consciousness imaginary friends or inner guides

Dreams, Evolution, and Value Fulfillment, Volume Two Jane Roberts,2011-07-08 The Seth books present an alternate map of reality with a new diagram of the psyche useful to all explorers of consciousness Deepak Chopra M D author of The Seven Spiritual Laws of Success From the Bestselling Author of Seth Speaks and The Nature of Personal Reality In the first volume of Dreams Evolution and Value Fulfillment Seth presented an in depth picture of the origin of all life from the inner dream world to the vast display of

material creation Here in Volume Two Seth continues his explanation of the physical world as an ongoing self creation a direct and intentional outgrowth of the wisdom of the life forms that inhabit it including humanity He expands upon his vision of a thoroughly animate universe where virtually every possibility not only exists but is constantly encouraged to achieve its highest potential In his typical awe inspiring manner Seth sheds light on many controversial and complex subjects including The ways in which our religions have stifled the human spirit Surprising insight into life s meaning and purpose The genetic basis of faith hope and charity The pursuit of pleasure as a fundamental human need How each species keeps millions of characteristics within its genetic bank for various contingencies Dreams are mental work and play combined psychic and emotionally rich creative dramas They also involve you in the most productive of enterprises as you begin to play with versions of events that are being considered for physical actualization Jane Roberts Speaking for Seth The Individual and the Nature of Mass Events Jane Roberts,2011-07-08 From the Bestselling Author of Seth Speaks Speaking exclusively through Jane Roberts Seth has repeatedly stressed the concept that we create our own reality according to our individual beliefs But how do our realities merge and combine to form mass reactions such as the overthrow of governments the birth of a new religion wars epidemics earthquakes and new periods of art architecture and technology In this pioneering work Seth explores the connection between personal beliefs and world events He pinpoints the unconscious and often negative beliefs pervading science and religion medicine and mythology and offers thought provoking reflections on Darwinism Freudianism religions cults and medical beliefs With fascinating and inspiring implications Seth asserts that the personal impulses we are often taught to see as dangerous chaotic or contradictory are instead crucial to the best interests of the species and the natural world for they lead us to live not only as loving caretakers but as partners with other species Only people who trust their spontaneous impulses can be consciously wise enough to choose from a myriad of probable futures the most promising events Jane Roberts Speaking for Seth **Mystic Apprentice 5: Psychic Skills LPE** Ken Ludden,2012-02-15 This volume of the Mystic Apprentice series gives the complete and detailed history of psychic phenomena It includes an explanation of all historic references of the occult in relation to world leaders from Alexander the Great to King Saul to Ronald Reagan all the way to Princess Diana **Dreams, Evolution, and Value Fulfillment, Vol 1** Jane Roberts,2011-07-08 From the Bestselling Author of Seth Speaks and The Nature of Personal Reality In this first volume of Dreams Evolution and Value Fulfillment Seth takes us on an odyssey to identify the origins of our universe and our species He asserts that consciousness units form the basis of all energy and matter and charts a conscious self aware universe that is constantly recreated by our own thoughts dreams and desires Illuminating the part that humans play in the greater scheme of things he suggests that we are alive not only for the continuation of the species but to add to the very quality of life itself Other fascinating topics include The role dreams play in the creation of language and technology The relationship between genetic heritage and reincarnation How creativity provides a link with the source of all existence The true power of the imagination and the

importance of broadening its scope A discussion of value fulfillment or the yearning to enhance the quality of life as a fundamental desire in all life forms Stimulating and provocative this long awaited book answers crucial questions about the entire significance of Seth s system of thought When I speak of the dream world I am not referring to some imaginary realm but to the kind of world of ideas of thoughts of mental actions out of which all form as you think of it emerges In actuality this is an inner universe rather than an inner world Your physical reality is but one materialization of that inner organization Jane Roberts Speaking for Seth New Age Metaphysics Paula J. Tyler, Fran Stagg, 1987 An introduction for Young Adults Is humankind on the brink of a major breakthrough in evolution An introduction into the consciousness awareness of all people A helpful understanding of Metaphysics for both the young and old alike This book also contains additional recommended reading books list many of which are available at your local library
