**The Epic of Eden** Sandra L. Richter, 2010-01-28 Does your knowledge of the Old Testament feel like a grab bag of people books events and ideas Sandra Richter gives an overview of the Old Testament organizing our disorderly knowledge of the Old Testament people facts and stories into a memorable and manageable story of redemption that climaxes in the New Testament

**The Epic of Eden Bible Study Guide plus Streaming Video, Updated Edition** Sandra L. Richter, PhD, 2026-02-17 The Old Testament of the Bible can feel like a junk drawer a disorganized collection of important stuff we don't want to lose yet but don't know what to do with From the Pentateuch to patriarchs and from kings to prophets it can feel like a puzzle we've tried to put together but wind up putting back in the box because it's too complicated The Epic of Eden is ideal for groups and individuals looking for a deeply substantive and profoundly spiritual exploration of the Old Testament Sandy Richter a learned scholar and passionate teacher shows us how accessible the Old Testament truly is and how understanding this majority of the biblical narrative leads to a fresh and deep renewed experience of the New Testament This study guide has everything you need for a full Bible study experience including The study guide itself with discussion and reflection questions video notes and a leader's guide An individual access code to stream all video sessions online You don't need to buy a DVD Streaming video access included Access code subject to expiration after 12/31/2030 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside

**The Epic of Eden** Sandra L. Richter, 2019 When most people think about the book of Jonah they think about a children's story Others think about a story they've heard so many times there could not possibly be anything new to learn from it Well strap in because this study is designed to prove all those assumptions wrong In the book of Jonah we find a professional holy man a lifer in the faith who is about to have the God he thinks he understands challenge him with an assignment that he can hardly get his brain around In The Epic of Eden Jonah Dr Sandra Richter takes us on a journey through Jonah's life that leads us all to the place where we realize that our God is way bigger than we thought Not only will we learn everything we ever wanted to know about the brutal Assyrians of Nineveh ancient seafaring ships and large aquatic creatures but we will also be challenged with the same message that confronted Jonah Are we willing to let God be God to move us out of our comfort zones and embrace a calling that might just take us to the edges of the world we know Publisher

[Summary of Sandra L. Richter's The Epic of Eden](#) Everest Media, 2022-08-23T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The most important distinction between us and them is culture We must step back and allow the voices of the biblical writers to be heard in the tone in which they were originally spoken 2 The second tendency I have come to call canonizing culture is the unspoken and usually unconscious presupposition that the norms of my culture are

superior to those of someone else's Every culture must ultimately respond to the gospel's critique 3 The Bible reveals God through a specific human culture God did not choose to reveal himself in any single culture but in several incarnations of the same culture We should not be about the business of canonizing the culture of ancient Israel but we must understand it in order to understand the intent of the biblical authors 4 The term redemption is culturally conditioned It comes from the New Testament but it originally came from the Old Testament It was used to describe the laws and social customs of the ancient tribal society of which the Hebrews were a part
