Lost's Buried Treasures Lynnette R. Porter,David Lavery,Hillary Robson,2009 *Lost's Buried Treasures* is the ultimate unauthorized guide to the ideas that have influenced the show and its writers *J.J. Abrams vs. Joss Whedon* Wendy Sterba,2016-12-08 J J Abrams and Joss Whedon are two of the most imaginative and accomplished men in Hollywood As writers directors producers and series creators their credits have straddled the mediums of television and film and range across several genres from science fiction and horror to action and drama In addition to spearheading original projects like *Lost* and *Buffy the Vampire Slayer* each has also made his mark on some of the most successful franchises in popular culture from *Mission Impossible* *Star Trek* and *Star Wars* Abrams to *Alien* and the *Avengers* Whedon Their output both oddly similar

and yet also wildly different stand at the heart of twenty first century film and television In J J Abrams vs Joss Whedon Wendy Sterba compares the parallel careers in film and television of these creative masterminds pitting one against the other in a light hearted competition With in depth discussions of their works the author seeks to determine who is the Spielberg or perhaps the Lucas of the twenty first century The author looks back upon the beginnings of both men s careers to Whedon s stint as a writer on Roseanne to Abrams early scripts for films like Regarding Henry and forward to their most recent blockbusters Avengers Age of Ultron and Star Wars The Force Awakens This books also looks at non fantasy successes Abrams series Felicity Whedon s adaptation of Much Ado about Nothing as well as commercial failures At the heart of this study however is a tour of their genre defining hits Alias and Buffy Lost and Angel Super 8 and Serenity along with Whedon s Avengers films and Abrams rebooted Star Trek adventures Filled with sharp eyed analysis illuminating anecdotes and unexpected connections J J Abrams vs Joss Whedon will appeal to fans of either or both of its subjects and to any fan of well told tales of the fantastic on screens large or small

LOST: Back to the Island Emily St. James, Noel Murray, 2024-09-17
A comprehensive critical companion to the blockbuster TV show LOST revisiting its core themes lore and impact on culture For fans of one of the most successful and highly discussed shows in recent memory LOST Back to the Island is both a delightful time capsule and a rousing work of entertainment criticism Before it premiered in the fall of 2004 LOST looked doomed to be an expensive disastrous plane crash of a TV show Instead LOST was a massive hit debuting with the biggest audience for a new drama on ABC in over a decade reaching heights of over 23 million viewers at its peak and holding on to a hefty fan base for its entire six season run The elements that made the series seem like a boondoggle proved instead to be a big part of its appeal Audiences loved the exotic island setting became invested in the morally compromised characters and feverishly tried to unravel the show s many mysteries In LOST Back to the Island TV critics and veteran LOST recappers Emily St James and Noel Murray revisit what made the show such a success and an object of enduring cultural obsession twenty years later Through essays episode summaries and cultural analysis they take us back to the island and examine LOST s lasting impact and its complicated sometimes controversial legacy with a clear eyed and lively investigation

Fierce Females on Television Nicole Evelina, 2023-10-15 A fascinating deep dive into how shows from Buffy the Vampire Slayer to The Equalizer have changed the way women are portrayed on television The last three decades of television have been a formative and progressive time for female characters as stronger more independent women have appeared on screen to guide a new generation of viewers into their own era of power These characters battle vampires demons corrupt government officials and scientific programs all while dealing with the same real world concerns their audiences face every day In Fierce Females on Television A Cultural History Nicole Evelina examines ten shows from the past thirty years to unveil the enormous impact they have had on the way women are portrayed on television She reveals how Buffy the Vampire Slayer Charmed Alias Nikita Agent Carter Jessica Jones Homeland House of Cards Orphan Black and The

Equalizer feature extraordinary lead characters who are at the same time utterly relatable facing surprisingly familiar questions in their everyday lives regarding sexuality gender and how to fight back in a patriarchal world Fierce Females on Television shows how even with their captivating mix of melodrama mystery magic and martial arts these shows nevertheless represent the audience's own desires and fears Finally viewers of science fiction fantasy spy and political shows have strong modern women to watch admire and emulate

Heritage, Conservation and Communities Gill Chitty, 2016-12-01 Public participation and local community involvement have taken centre stage in heritage practice in recent decades In contrast with this established position in wider heritage work public engagement with conservation practice is less well developed The focus here is on conservation as the practical care of material cultural heritage with all its associated significance for local people How can we be more successful in building capacity for local ownership and leadership of heritage conservation projects as well as improving participative involvement in decisions and in practice This book presents current research and practice in community led conservation It illustrates that outcomes of locally led active participation show demonstrable social educational and personal benefits for participants Bringing together UK and international case studies the book combines analysis of theoretical and applied approaches exploring the lived experiences of conservation projects in and with different communities Responding to the need for deeper understanding of the outcomes of heritage conservation it examines the engagement of local people and communities beyond the expert and specialist domain Highlighting the advances in this important aspect of contemporary heritage practice this book is a key resource for practitioners in heritage studies conservation and heritage management It is also relevant for the practising professional student or university researcher in an emerging field that overarches professional and academic practice
