Sociology James M. Henslin, 2005 This best-selling comprehensive text shares the excitement of sociology with the acclaimed down to earth approach that highlights the sociology of everyday life. The Seventh Edition of this highly regarded text retains all the features that have made previous editions so successful. The author has a unique ability to engage students without sacrificing content or talking down to them. With wit, personal reflection, and illuminating examples, Henslin shares his passion for sociology with his readers like no other author of an introductory text can.

Essentials of Sociology George Ritzer, Wendy Wiedenhof Murphy, 2017-11-27 Essentials of Sociology, adapted from George Ritzer's Introduction to Sociology, provides the same rock-solid foundation from one of sociology's best-known thinkers in a shorter and more streamlined format. With new co-author Wendy Wiedenhof Murphy, the Third Edition continues to illuminate traditional sociological concepts and theories and focuses on some of the most compelling features of contemporary social life: globalization, consumer culture, the internet, and the McDonaldization of society. New to this Edition: New Trending boxes focus on influential books by sociologists that have become part of the public conversation about important issues. Replacing Public Sociology boxes, this feature demonstrates the diversity of sociology's practitioners, methods, and subject matter, featuring such authors as o Michelle Alexander The New Jim Crow o Elizabeth Armstrong and Laura Hamilton Paying for the Party o Matthew Desmond Evicted o Arlie Hochschild Strangers in Their Own Land o Eric Klinenberg Going Solo o C. J. Pascoe Dude You're a Fag o Lori Peek and Alice Fothergill Children of Katrina o Allison Pugh The Tumbleweed Society. Updated examples in the text and Digital Living boxes keep pace with changes in digital technology and online practices, including Uber, Bitcoin, net neutrality, digital privacy, WikiLeaks, and cyberactivism. New or updated subjects apply sociological thinking to the latest issues, including the 2016 U.S. election, Brexit, the global growth of ISIS, climate change, further segmentation of wealthy Americans, and the super-rich transgender people in the U.S.

Essentials of Sociology A Down to Earth Approach 9th edition is the first edition of Henslin s to feature integration with MySocLab MySocLab now features diagnostic quizzing Social Explorer activities The Way We Live video activities links to The Social Lens blog and over 100 primary source readings **The ^ASacred Project of American Sociology** Christian Smith, 2014-07-03

The Sacred Project of American Sociology shows counter intuitively that the secular enterprise that everyday sociology appears to be pursuing is actually not what is really going on at sociology s deepest level Sociology today is in fact animated by sacred impulses driven by sacred commitments and serves a sacred project This book re asserts a vision for what sociology is most important for in contrast with its current commitments and calls sociologists back to a more honest fair and healthy vision of its purpose **Essentials of Sociology** James M. Henslin, 2018-02-20 *Reclaiming Class* Vivyan Adair, Sandra Dahlberg, 2003-04-25

Reclaiming Class offers essays written by women who changed their lives through the pathway of higher education Collected they offer a powerful testimony of the importance of higher learning as well as a critique of the programs designed to alleviate poverty and educational disparity The contributors explore the ideologies of welfare and American meritocracy that promise hope and autonomy on the one hand while also perpetuating economic obstacles and indebtedness on the other Divided into the three sections *Reclaiming Class* assesses the psychological familial and economic intersections of poverty and the educational process In the first section women who left poverty through higher education recall their negotiating the paths of college life to show how their

experiences reveal the hidden paradoxes of education Section two presents first person narratives of students whose lives are shaped by their roles as poor mothers guardian siblings and daughters as well as the ways that race interacts with their poverty Chapters exploring financial aid and welfare policy battery and abuse and the social constructions of the poor woman finish the book Offering a comprehensive picture of how poor women access all levels of private and public institutions to achieve against great odds Reclaiming Class shows the workings of higher learning from the vantage point of those most subject to the vicissitudes of policy and reform agendas

Sociology James M. Henslin, 2023 Throughout this text the goal is to share with your students how fascinating and enlightening sociology is Because sociology is about social life and we live in a changing global society this 15th edition of Sociology A Down to Earth Approach continues to reflect the national and global changes that engulf us as well as presents new sociological research The down to earth examples for which this text is known will help your students see how sociology applies to them So will the photos about 555 of them of which 228 are new The photos are neither random nor fillers I have either selected or taken each of these photos as well as written each caption By tying the photos and their captions directly into the text they become part of your students learning experience

Other Worlds John R. Heapes, 2014-02-21 Who hasnt asked What happens to me after I die and or Are we alone in the universe Other Worlds UFOs Aliens and the Afterlife takes readers on a journey into other galaxies and into a different timea time after all of their tomorrows How are the societies organized on other planets and in the afterlife This book answers this question with a new approach in the UFO and the Near Death Experience fields As readers take this trip they will wonder if there are universal laws governing the societies of intelligent beings regardless of where they reside in existence Are humans projecting into foreign forms their own beliefs about how societies should be arranged on Earth Why study such ethereal and controversial material We always learn about ourselves when we study those who are different from us whether those beings are real or not Anyone who has read a good book of fiction knows the validity of this point Consider how many teenagers identify with the characters in the Hunger Games books What follows is the sociological perspective We will explore institutions such as marriage and the family social classes and culture We will determine the sex of alien travelers as well as the occupations of their human witnesses We will learn what the afterlife looks like and discover what messages deceased beings deliver to humans
