Essentials Of Corporate Finance 7e:

Essentials of Corporate Finance Stephen Ross,Randolph Westerfield,Bradford Jordan,2010-02-19 Essentials of Corporate Finance 7th edition by Ross Westerfield and Jordan is written to convey the most important concepts and principles of corporate finance at a level that is approachable for a wide audience The authors retain their modern approach to finance but have distilled the subject down to the essential topics in 18 chapters They believe that understanding the why is just as important if not more so than understanding the how especially in an introductory course Three basic themes emerge as their central focus 1 An emphasis on intuition separate and explain the principles at work on a common sense intuitive level before launching into specifics Underlying ideas are discussed first in general terms then followed by specific examples that illustrate in more concrete terms how a financial manager might proceed in a given situation 2 A unified valuation approach Net Present Value is treated as the basic concept underlying corporate finance Every subject the authors cover is firmly rooted in valuation and care is taken to explain how decisions have valuation effects 3 A managerial focus Students learn that financial management concerns management The role of financial manager as decision maker is emphasised and they stress the need for managerial input and judgment **E-book: Essentials of Corporate Finance** Ross,2016-04-16 E book Essentials of Corporate Finance [Loose-Leaf Corporate Finance: Core Principles and Applications](#) Stephen A. Ross,Randolph W. Westerfield,Jeffrey Jaffe,Bradford D. Jordan,2023-01-11 Corporate Finance Core Principles and Applications was developed for the graduate MBA level as a concise up to date and to the point product the majority of which can be realistically covered in a single term or course To achieve the objective of reaching out to the many different types of students and the varying course settings corporate finance is distilled down to its core while maintaining a decidedly modern approach Purely theoretical issues are downplayed and the use of extensive and elaborate calculations is minimized to illustrate points that are either intuitively obvious or of limited practical use The goal was to focus on what students really need to carry away from a principles course A balance is struck by introducing and covering the essentials while leaving more specialized topics to follow up courses Net present value is treated as the underlying and unifying concept in corporate finance Every subject covered is firmly rooted in valuation and care is taken throughout to explain how particular decisions have valuation effects Also the role of the financial manager as decision maker is emphasized and the need for managerial input and judgment is stressed *Corporate Finance* Seohee Park ,2020-09-03 This book will help you gain a master of business administration MBA degree Think you ve got what it takes to become a future leader An MBA could help you achieve those goals Intensive competitive and highly respected the Master of Business Administration MBA is an elite professional qualification This book provides best reports with good grades Reading the papers you can get a sense of how to write a good paper to get good grades This is a book that tells you how to get good grades on MBA courses in the U S For the MBA course students have to take a total of 36 credits Each class is worth 3 credits and the students should take 12 classes

It s a series of 12 books one book for each subject This book is a collection of best answers for the Corporate Finance subject
