

The background of the book cover is a microscopic view of numerous red blood cells. The cells are depicted as biconcave discs, with a lighter red center and a darker red outer rim, giving them a three-dimensional appearance. They are scattered across the entire cover, with some in sharp focus and others blurred in the background, creating a sense of depth. The overall color palette is various shades of red, from deep maroon to bright, almost white highlights on the cell surfaces.
