traumatic growth the personal transformation that can result from traumatic experiences It also shows how TFT can be used to promote resilience the qualities that enable us to recover from life's inevitable challenges *Eft Level 2 Comprehensive Training Resource* Ann Adams,Davidson Karin,2011-10 The EFT Level 2 Comprehensive Training Resource is a companion to the EFT Level 2 classes based on the Harmonized Curriculum for EFT training EFT Emotional Freedom Techniques is an evidence based self help intervention used by millions of people worldwide Clinical trials have shown it to be effective for a wide variety of conditions including pain fibromyalgia depression anxiety phobias and PTSD The authoritative EFT training program by EFT Universe leads to certification in Clinical EFT and uses this Resource by EFT Master Ann Adams and Karin Davidson as one of the required readings **EFT for Christians** Sherrie Rice Smith, RN,2015-05-15 While Emotional Freedom Techniques EFT has been gaining in widespread use and popularity during the past decade most Christians are unfamiliar with this gentle and astonishingly effective self help tool Those who have discovered its healing potential may be unsure how it fits in with their faith Sherrie Rice Smith RN Retired has an extensive faith based EFT practice and has pioneered the use of this breakthrough approach also called tapping with Christians In this book she shows how to use Scripture while tapping and how EFT can strengthen the prayer life of the believer Packed with compelling case histories of both physical and emotional healing drawn from her Christian EFT practice as well as her extensive nursing background Sherrie explains the science behind Clinical EFT and how it works in harmony with our divinely created physiology She shows how a combination of good science and firm faith is able to provide dramatic relief from a wide variety of suffering whether it is spiritual emotional or physical and how to integrate this self help method with the Christian life The Energies of Love Donna Eden,David Feinstein,2014-09-04 The bestselling authors of Energy Medicine and Energy Medicine for Women present a complete program for using energy medicine to heal and strengthen romantic relationships A relationship begins with the meeting of two unique energies This union of energies though invisible determines the way you communicate fight love and want to be loved In this groundbreaking book the bestselling authors of Energy Medicine draw on the real life experiences of couples who have attended their popular Energies of Love workshops as well as their own experience as husband and wife to show how an understanding of your energy system and that of your partner can help you build a more harmonious and loving bond We all have different ways of making sense of the world around us but when faced with conflict especially with those we care most about we tend to revert to one of four Energetic Stress Styles Visuals are extremely passionate and inspire others to care about the things they care about but in moments of conflict their take on the situation can overshadow what is actually occurring undermining their ability to empathize with their partner Kinesthetics are generous compassionate and accepting of other people but their caring nature pulls them in too many directions They try to meet others needs at the expense of their own which can cause mounting resentment Digitals are rational and principled and have a gift for quickly understanding complex situations but they can become closed to others perspectives and feelings

Tonals have a gift for understanding others and their dilemmas but during moments of conflict their ability to read between the lines can morph into hearing what was never said felt or thought According to the authors the strongest relationships are those in which the two parties feel that they are partners on a shared spiritual journey By helping you better understand your own unique energy system as well as that of your partner you will be able to recognize your strengths as a couple and avoid the pitfalls The Energies of Love serves as a powerful resource for anyone who wishes to build a rich partnership while maintaining the spark that keeps a relationship exciting **Energy Psychology Journal, 3:2** Dawson Church,2011-11-30
