Flesh To Flesh Zane Presents:

The First Male Lee Hayes, 2012-09-04 The author of The Bad Seed takes readers on a dark and sinister journey as a young man learns of his destiny to destroy the world The first male born from the first Thibodeaux male has been prophesied to become the destroyer of worlds Adelaide Thibodeaux the Priestess Supreme of the Sister Clan has a sworn duty to protect the world even against her own flesh and blood Her powerful magic has kept the first male her grandchild hidden from everyone including herself A spell she cast at his birth binds his power but as he nears his twenty first birthday and The Ascension her spell is on the verge of collapsing If it breaks nothing will prevent him from assuming his full powers With the maturation of his strength Adelaide fears he will usher in a new world order through fire and blood as foretold centuries ago In a deadly race against the forces of the Shadows Adelaide must find and protect the first male from his own destiny Simon Cassel has always been different At a very young age he learned to hide his extraordinary abilities and to ignore the preternatural events that surrounded him Now as his twenty first birthday approaches he can no longer ignore the supernatural changes that have turned his world upside down He knows that he is changing becoming something else Dreams of serpents and living shadows plague him voices and whispers call out to him from the depths of darkness an old woman haunts him reaching out to him from another place Craved by the Shadows and feared by the Light Simon s world will never be the same as he becomes The First Male [No Time Like The Present](#) DV Wood, 2022-02-22 One year ago Valeria s life changed forever She had been introduced to a hidden world of Magic and Myth She had finally found her true love and a job that filled her with a sense of purpose The time loop had been broken and all she wanted was to live her new wonderful life in peace with Jayden and her friends But now someone was out to kill her again Join Jayden Valeria and Jaxion as they are once again called upon to solve the next part of their shared destiny and protect the timeline 18 for Mature Language Content [Kissing Monsters Collection 1](#) Lynn Robin, Her name is Kiss She travels the world to find monsters to kiss and turn them into angels for the world has too many monsters and too few angels she believes too many shadows and too few stars in the sky But then she crosses paths with Zane a young human man a lost and lonely cello player who tells her about the Collector a monster who would turn her into a demon if she d kiss him The Collector wants and claims everything that catches his attention And so he starts hunting for Kiss Will she run Will she stay and fight Or could Zane a mere human save her instead Follow the love story of Kiss and Zane in a world of monsters and angels in this collection of the first four books in the Kissing Monsters series **Kissing Shadows** Lynn Robin, Come home with me At that Kiss tilts her head back to look at him startled Zane gazes back at her and there it is again that rawness from those days they spent together that honesty that realness that was never part of the game they were playing back then Their emotions at least had been true But she has changed Kiss has left Zane thought he would no longer know loneliness but he was wrong and now he roams the earth kissing monsters into angels Being a Gifted One humans no longer recoil from him but instead are drawn to him like

moths to a flame begging for a touch of his lips yet with every touch all that he s kissing are shadows He wants Kiss back He craves her love But she has changed As he discovers the truth about her Zane sets out to find a way to tame the beast in her heart so he can once again claim her kisses without turning her into an angel Yet as both monsters and angels try to come between them Zane and Kiss have to make a choice To give up on each other Or to fight instead **Kissing Monsters** Lynn Robin, When you kiss a monster you turn them into angels If you d kiss the Collector he would turn you into a monster So what happens if you would kiss a human Her name is Kiss She travels the world to find monsters to kiss and turn them into angels for the world has too many monsters and too few angels she believes too many shadows and too few stars in the sky But then she crosses paths with Zane a young human man a lost and lonely cello player who tells her about the Collector a monster who would turn her into a demon if she d kiss him The Collector wants and claims everything that catches his attention And so he starts hunting for Kiss Will she run Will she stay and fight Or could Zane a mere human save her instead

The Race Set Before Us Ardel B. Caneday, Thomas R. Schreiner, 2025-10-30 Discipline Endurance Perseverance The New Testament often describes the Christian life as a marathon a race set before us But what exactly is the prize Do all those completing the race share in it And can the prize be lost Tackling these and other vexing questions Thomas Schreiner and Ardel Caneday offer in this book a serious exegetical wrestling with the biblical understanding of the nature of saving faith and its implications for the people of God Here is a foundational study that considers all of the relevant New Testament texts and that weighs the meaning of those texts for both Christian living and pastoral ministry **Flesh to Flesh** Lee
