Satisfying the Team Victoria Sparks, 2015-09-02 Contemporary Romance Mary found it very interesting that she was in the college football state also known as Texas. She always considered herself the chubby or full-figured girl and also very plain. However, her perspective is changed when two hot football players, Houston and Patrick, happen to be in her agricultural lab class. It is just the three of them and part of the class entails working on a ranch. It is her dreams come true as she has been lusting after Houston ever since she first saw him without his helmet on the football sidelines with his dark good looks. Now her dreams are going to come true in the most erotic way which she never thought possible. With not just one football god but two.

Settling The Score Diane Blake, As Jasinda Reed admits to a friend, she hasn't had a hot date since two years and twenty pounds ago. It's been a lot longer than that since she's trusted a man with good reason. She harbors no intentions of changing that any time soon. Jasinda hardly expects to meet Mr. Right while working behind the ice cream counter at Biggie Scoops. One night when a handsome and charming stranger shows up at just the right time, Jasinda fears he and his attentive flirting may be too good to be true. Pro quarterback Craig Wilder goes after what he wants when he sees it. At the top of his career, the popular football player is surrounded by fame, fortune and his pick of any woman he wants. Well, almost any woman, the one he sets his sights on keeps pushing him away. Can the hot jock scale the wall that Jasinda put up to protect her heart? Jasinda panics when a scary incident puts her life in jeopardy. She wonders if someone is really out to get her or if she's letting the past haunt her present and possibly destroy her romantic future. Is someone out there focused on settling the score, ready to teach Jasinda that revenge is a dish best served cold as ice cream?
