Student Name _____ Date _____

Yesterday I was in my yard and I saw a butterfly. It was very pretty. The	16
butterfly was on a flower. It was flapping its wings up and down. It looked	31
like the butterfly was taking a sun bath. The wings of the butterfly were	45
colorful. The wings had blue, green, yellow and red. There was even a little	59
bit of purple and pink near the center of the wing. After a little while	74
another butterfly came and landed on a flower next to the first butterfly. It	88
looked like they were talking. All of a sudden both butterflies flew into the	102
air. They flew right at me. I didn't move at all. I froze like a statue. The	119
butterflies came over to me and one landed on my head. The other	132
butterfly landed on my nose. I was looking at the butterfly and it was	146
looking at me. The butterfly then flapped its wings and flew off into the sky.	161
The butterfly that landed on my head followed its butterfly friend into the air.	175
The butterflies flew all around my backyard. I grabbed a chair and just watched	182
them dance and flutter about; it was like a butterfly ballet.	193
