**Frozen** Erin Bowman, 2014-04-15 This second book in Erin Bowman's gripping Taken trilogy will thrill fans of dystopian sci fi series like Michael Grant's *Gone* and James Dashner's *Maze Runner*. Gray Weathersby has escaped Claysoot and uncovered the truth behind the Laicos Project and the Order's twisted plans. Determined to fight back, his small group of rebels is on the hunt for more answers and more allies, a search that will take them on a harrowing journey across a frozen wasteland and even deeper into a world built on the Order's lies. In *Frozen*, discover more of the nonstop action and riveting plot twists that made Marie Lu, New York Times bestselling author of the *Legend* trilogy, call *Taken* an action-packed thrill ride from beginning to end.

**Vengeance Road** Erin Bowman, 2015 When her father is murdered for a journal revealing the location of a hidden gold mine, eighteen-year-old Kate Thompson disguises herself as a boy and takes to the gritty plains looking for answers and justice. What she finds are untrustworthy strangers, endless dust and heat, and a surprising band of allies among them: a young Apache girl and a pair of stubborn brothers who refuse to quit riding in her shadow. But as Kate gets closer to the secrets about her family, a startling truth becomes clear: some men will stop at nothing to get their hands on gold, and Kate's quest for revenge may prove fatal.

**Encountering Enchantment** Susan Fichtelberg, 2015-09-29 The most current and complete guide to a favorite teen genre, this book maps current releases along with perennial favorites, describing and categorizing fantasy, paranormal, and science fiction titles published since 2006. Speculative fiction continues to be of consuming interest to teens, so if you work with that age group, keeping up with the explosion of new titles in this category is critical. Likewise, understanding the many genres and subgenres into which these titles fall—wizard fantasy, alternate worlds, fantasy mystery, dystopian fiction, science fantasy, and more—is also key if you want to motivate young readers and direct them to books they'll enjoy. Written to help you master a complex array of genres and titles, this guide includes more than 1,500 books, most published since 2006, organizing them by genre, subgenre, and theme. Subgenres growing in popularity, such as steampunk, are highlighted to keep you current with the latest trends. The guide will serve three audiences. Of course, you can turn to it as you help your teenage patrons select the books and genres that will interest them most. Teen readers, whether devoted fans or newcomers, can use it themselves to find titles and subgenres they might like. In addition, the guide will help teachers and parents match students with the right books.

**Vengeance Road** Erin Bowman, 2015-09-01 When Kate Thompson's father is killed by the notorious Rose Riders for a mysterious journal that reveals the secret location of a gold mine, the eighteen-year-old disguises herself as a boy and takes to the gritty plains looking for answers and justice. What she finds are devious strangers, dust storms, and a pair of brothers who refuse to quit riding in her shadow. But as Kate gets closer to the secrets about her family, she gets closer to the truth about herself and must decide if there's room for love in a heart so full of hate. In the spirit of *True Grit*, the cutthroat days of the Wild West come to life for a new generation.
