*Love and Loss - Volume Two* Betty Hibod,2024-11-26 Many books have been written as histories recounting events that shaped the life of a group society nation or civilization or as biographies

recounting events and achievements relating to one person's life and work. Many books have been written putting forth ideas, philosophies, and words of wisdom to live by. Some of these we call holy books or scripture. Fewer books have been written like this one which go behind the scenes of history, lay bare the feelings behind the philosophies, and document the painful and joyful inner path along which historical events and philosophical ideas emerge. This book is intensely, even shockingly personal, not clinical or abstract or detached. It is an intimate, detailed, sensual, and sometimes disturbing account of a life lived on the cusp that bridges time and eternity. Its focus is narrow; it does not reveal much at all about anyone's visible public life or accomplishments, but it explores in great depth the invisible contents of minds, hearts, and souls. The scriptures and scriptural commentaries of most religions describe a path to salvation or bliss and provide instructions or guideposts for moving along the path, but they are still only theoretical, hypothetical, mythical, or metaphorical accounts. This book seeks to show how the theories and hypotheses play out pragmatically in real time and space, how the myths come alive in flesh and spirit, how the metaphors become the very things they symbolize. How does daily life look from inside someone in the throes of awakening? How does she know who or what she is? How is her destiny revealed? How do seemingly ordinary, mundane events become miracles? This book begins to answer those questions.

**My Soul to Take** Rachel Vincent, 2009-08-01 She doesn't see dead people, but she senses when someone near her is about to die. And when that happens, a force beyond her control compels her to scream bloody murder. Literally. Kaylee just wants to enjoy having caught the attention of the hottest guy in school. But a normal date is hard to come by when Nash seems to know more about her need to scream than she does. And when classmates start dropping dead for no apparent reason, only Kaylee knows who'll be next.

**The Natural Genesis** Gerald Massey, 2007-10-01 Egyptologist Gerald Massey challenged readers in *A Book of the Beginnings* to consider the argument that Egypt was the birthplace of civilization and that the widespread monotheistic vision of man and the metaphysical was in fact based on ancient Egyptian mythos. In *The Natural Genesis*, Massey delivers a sequel delving deeper into his compelling polemic. In Volume I, he offers a more intellectual, fine-tuned analysis of the development of society out of Egypt. From the simplest signs, numbers, the cross, to the grandest archetypes, darkness, the mother figure, Massey carefully and confidently lays the cultural and psychosocial bricks of Evolutionism. British author GERALD MASSEY 1828-1907.
