*A COLLECTION OF PLAYS* Gün Gencer, **Sex, Time, and Power** Leonard Shlain, 2004-08-03 As in the bestselling *The Alphabet Versus the Goddess* Leonard Shlain's provocative new book promises to change the way readers view themselves and where they came from *Sex Time and Power* offers a tantalizing answer to an age old question Why did big brained Homo sapiens suddenly emerge some 150 000 years ago The key according to Shlain is female sexuality Drawing on an awesome breadth of research he shows how long ago the narrowness of the newly bipedal human female's pelvis and the increasing size of infants heads precipitated a crisis for the species Natural selection allowed for the adaptation of the human female to this environmental stress by reconfiguring her hormonal cycles entraining them with the periodicity of the moon The results however did much more than ensure our existence they imbued women with the concept of time and gave them control over sex a power that males sought to reclaim And the possibility of achieving immortality through heirs drove men to construct patriarchal cultures that went on to dominate so much of human history From the nature of courtship to the evolution of language Shlain's brilliant and wide ranging exploration stimulates new thinking about very old matters **The Last Day** Seann Barbour, 2023-10-27 It's the morning after Ronald Lawrence's high school reunion He's woken up next to an old crush listened to her speech about how this was a one time thing and now he's stopping for coffee before he leaves this town and his more successful peers and heads back to his own life of mediocrity Then a man with yellow eyes beats him to death It's the morning after Ronald Lawrence's high school reunion and he had the weirdest dream last night He dreamed he was attacked by a giggling maniac with yellow eyes after he woke up to his old school crush's speech about this being a one time thing the same speech she's giving him right now A plague of homicidal insanity is spreading across the world It's the end of civilization and Ron is reliving it over and over again Always they catch him Always they kill him Always he wakes back up in that hotel room next to his old school crush It's the morning after Ronald Lawrence's high school reunion Forever
