recognizing the significance of this at the moment Craftsmanship and decorative arts are naturally slow and steady They use methods that take years to learn and perfect so the creation process cannot be rushed Because they recognize how important it is for the tools and materials they use to connect the past and present artisans and craftspeople also treat them with the utmost respect

Gateways to Art and Industry (Classic Reprint) Olive Russell,2015-07-06 Excerpt from Gateways to Art and Industry During the last decade the kindergarten has generally become the accepted first grade of public schools especially in large cities Its recognition demands the development of instinctive impulse emphasis on social co operation and kindness and work based on active expressional and appreciative rather than technical analytic and receptive values in education Where the work is well done these characteristics have given it a constantly increasing respect Where the work is neglected or in the hands of inefficient or unintelligent people it suffers from criticism a little more than does dishonest or unsatisfactory work in higher grades The reason for this is that it is a newer phase of education that its values must be apprehended by an intrinsic standard and that in some cases the young teachers lack the power to adjust themselves intelligently and definitely to the larger work of the school curriculum About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
