Rider Haggard,2012-06 In this classic adventure story so much of the action and plot devices are used in other adventure stories and comic books and movies yet Rider Haggard came decades earlier This book is one of the prototypes along with Robert Louis Stevensons Treasure Island written just a few years earlier of the modern adventure action story There is lots to admire in this well crafted story great action excitement characters and exotic locations If theres a kid you know that only wants to watch television or play video games read this book with him or her It shows what words on a page can do in the imagination of the reader It is also interesting to see the book in its historical perspective King Solomons Mines 1885 records European ignorance of and fascination with Africa which was still partly as Joseph Conrad later called it in Heart of Darkness a blank area on the map The source of the Nile had been discovered only two decades earlier Henry Stanley and Richard Burton were still living the memories of David Livingstone and John Speke were still fresh and the Berlin Africa Conference was taking place just as the novel was going into print Want to curl up with a good book Heres one for you and your kids *King Solomon's Mines* Sir H Rider Haggard,2020-11-29 King Solomon s Mines 1885 is a popular novel by the English Victorian adventure writer and fabulist Sir H Rider Haggard It tells of a search of an unexplored region of Africa by a group of adventurers led by Allan Quatermain for the missing brother of one of the party It is the first English adventure novel set in Africa and is considered to be the genesis of the lost world literary genre *King Solomon's Mines* H. Rider Haggard,2018-08-12 King Solomon s Mines Large Print By H Rider Haggard novel I suppose they the flights and flourishes are desirable and I regret not being able to supply them but at the same time I cannot help thinking that simple things are always the most impressive and that books are easier to understand when they are written in plain language though perhaps I have no right to set up an opinion on such a matter A sharp spear runs the Kukuana saying needs no polish and on the same principle I venture to hope that a true story however strange it may be does not require to be decked out in fine words We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To

ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience     King Solomon's Mines (Annotated Version) H. Rider Haggard, 2025-01-27
