The Importance of Reading Fluency Instruction in the Third-grade Classroom Mary A. Olson,2011 The purpose of this study was to determine if reading fluency practice passages should be at grade level or at their independent reading level The researcher conducted research in her third grade classroom The class was divided into two groups of mixed abilities one group read fluency passages at grade level and the other group read fluency passages at their independent reading level for a three week period After the three weeks students were interviewed about their reading experience and how they feel about their reading along with information gathered from their fluency and comprehension passages to see whether the students show an improvement in their reading fluency and comprehension ability I found that the majority of the students who practiced reading passages at their individual reading level made a gain in the number of words read per minute compared to those who practiced reading a third grade reading passage
