

Summer Before First Grade ACTIVITY CALENDARS

Dear Parents,

I am sending home two summer activity calendars with your child. There are many great activities that you can work on with your child throughout the summer. Each day there is a task that focuses on something students will be learning in first grade. Your child does not need to complete all of these activities, or even understand all the concepts, but it is a good way to at least introduce them to what they will be learning about next year. My suggestion is to pick the ones your child is interested in and work on them together.

I hope you enjoy your summer!
