this second volume of Paul Whiteman Pioneer in American Music how much of a dominant figure Whiteman remained A major figure on the American music scene for decades to come he would continue to lead critically acclaimed orchestras filling theaters and concert halls alike and diligently seeking out and nurturing musical talent on the largest scale of any orchestra leader in the 20th century In this second volume of Rayno s magisterial treatment of the life and music of this remarkable maestro Whiteman s career during the second half of his life is explored in the fullest detail as Whiteman conquers the worlds of theater and vaudeville the concert hall radio motion pictures and television winning accolades in all of them Through hundreds of interviews extensive documentation and exhaustive research of over nearly three decades a portrait emerges of one of American music s most important musical figures during the last century Rayno paints a stunning portrait of Whiteman s considerable accomplishments and far reaching influence **The Emperor Returns** Jeffrey Sanders,2006-06-11 In the evening Long Xingyun left the Xi County bus station The sky was dotted with stars and the moon was high in the sky Countless flying insects swarmed against the streetlights The exit was filled with taxis soliciting passengers Seeing the crowds pouring out the drivers flocked to them like flies After shaking their heads and turning away several drivers Long Xingyun arrived at the nearby bus stop As far as he could remember the buses there operated until after ten at night *Recreation* ,1957 **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie,Bertha Tannehill,Neltje Marie Tannehill Shimer,1925 An author subject index to selected general interest periodicals of reference value in libraries **Annual Report of City Superintendent ...** ,1913 **DARE to Say No** Max Felker-Kantor,2024-04-02 With its signature DARE to keep kids off drugs slogan and iconic t shirts DARE Drug Abuse Resistance Education was the most popular drug education program of the 1980s and 1990s But behind the cultural phenomenon is the story of how DARE and other antidrug education programs brought the War on Drugs into schools and ensured that the velvet glove of antidrug education would be backed by the iron fist of rigorous policing and harsh sentencing Max Felker Kantor has assembled the first history of DARE which began in Los Angeles in 1983 as a joint venture between the police department and the unified school district By the mid 90s it was taught in 75 percent of school districts across the United States DARE received near universal praise from parents educators police officers and politicians and left an indelible stamp on many millennial memories But the program had more nefarious ends and Felker Kantor complicates simplistic narratives of the War on Drugs He shows how policing entered US schools and framed drug use as the result of personal responsibility moral failure and poor behavior deserving of punishment rather than something deeply rooted in state retrenchment the abandonment of social service provisions and structures of social and economic inequality **Sexy Selfie Nation** Leora Tanenbaum,2025-05-20 Chances are that you are getting it all wrong In this eye opening new work slut shaming expert Leora Tanenbaum explains that when we criticize young women for wearing body revealing outfits and sharing sexy selfies we are losing the plot The problem is not with the actions young women take but with the toxic sexist conditions they are responding to Young people

are sick of being held responsible for others inability to keep their eyes off their bodies They explain that most of the time they aren t even trying to sexualize themselves and when they do they are taking control over their bodily autonomy and standing up for themselves Tanenbaum demonstrates that sexy does not mean inviting sex and that when young women and nonbinary people embrace a sexualized aesthetic or post sexy pictures they do so on their own terms In choosing to wear body revealing clothing and posting sexy selfies young people are taking a stand for themselves and against three pillars of nonconsensual sexualization that shape their daily lives Gendered dress codes which allow teachers and administrators to scrutinize and comment on girls bodies Nonconsensual sharing of intimate images revenge porn and deepfakes which portray girls and women as sexual objects deserving of public humiliation The aftermath of sexual harassment and assault when victims are told still today even after MeToo that they were asking for it There s nothing wrong with taking and sharing intimate pictures There s nothing wrong with feeling good about one s body Everyone should be able to stand up for themselves experience a sense of bodily autonomy and shape and share their image on their own terms If you like cultural criticism that supports women of all identities then you ll love Sexy Selfie Nation **Play Library Service** University of South Carolina. Extension Division,1946 *Theatre as a Medium for Children and Young People: Images and Observations* Shifra Schonmann,2006-07-10 This book is a journey into the dual territory of educational and theatrical settings It advances the knowledge in these settings by touching upon provocative questions by dealing with the limitations and challenging the new possibilities of theatre for young people It is an attempt to bring intellectual rigor and some theoretical perspectives drawn from recent theatre and aesthetic theory to the field of theatre for young people *Dictionary Catalog of the Harris Collection of American Poetry and Plays, Brown University Library, Providence, Rhode Island* Brown University.
