with its neighbours However the discovery of substantial oil deposits and later of enormous gas reserves changed Qatar beyond recognition allowing it to claim in the 1980s that its inhabitants were the richest people on earth Still a semi feudal monarchy it gained full independence in 1971 but was initially considered to be the least developed state in the Gulf By the 21st century many close neighbours felt that in a number of respects Qatar was becoming an unreliable partner To the extent that in 2017 a number of its fellow Gulf Cooperation Council GCC members as well as other states notably Egypt broke off diplomatic relations

Routledge Handbook on Human Rights and the Middle East and North Africa Anthony Tirado Chase, 2016-11-10 Recent events such as Iran's Green Revolution and the Arab Uprisings have exploded notions that human rights are irrelevant to Middle Eastern and North African politics Increasingly seen as a global concern human rights are at the fulcrum of the region's on the ground politics transnational intellectual debates and global political intersections The Routledge Handbook on Human Rights and the Middle East and North Africa emphasises the need to consider human rights in all their dimensions rather than solely focusing on the political dimension in order to understand the structural reasons behind the persistence of human rights violations explores the various frameworks in which to consider human rights conceptual political and transnational international discusses issue areas subject to particularly intense debate gender religion sexuality transitions and accountability contains contributions from perspectives that span from global theory to grassroots reflections emphasising the need for academic work on human rights to seriously engage with the thoughts and practices of those working on the ground A multidisciplinary approach from scholars with a wide range of expertise allows the book to capture the complex dynamics by which human rights have had or could have an impact on Middle Eastern and North African politics This book will therefore be a key resource for students and scholars of Middle Eastern and North African politics and society as well as anyone with a concern for Human Rights across the globe

Francis: The Last Pope? Leo Lyon Zagami,Brad Olsen,2015-03-05 Pope Francis The Last Pope reveals the possible reasons for the choice of historical abdication of Benedict XVI and traces the process that led to the election of Cardinal Bergoglio the Pope who many have prophesized will be the last and will bring the Catholic Church to its end The book details the history of this prophecy which was hidden away in the Vatican for hundreds of years and predicts that the reign of the last Pope will herald the beginning of great apostasy followed by great tribulation It also explores the recent scandals in the Catholic Church and addresses questions including What pressures decreed the end of the pontificate of Benedict XVI What powers have an interest for the Church to end and What is the relationship between the Vatican and the New World Order Perfect for anyone interested in prophecies about the end times Pope Francis The Last Pope reveals the truth about what numerology says about the last Pope and the darkness that may follow him as well as fascinating investigations into the gay lobby Freemasonry and the Jesuit agenda in the Vatican and how it relates to the first Borgia Pope the legend of the White Pope and the Black Pope and how Benedict s resignation may fulfill an ancient prophecy Islamophobia and Racism in America Erik Love,2017-05-23 Choice Top Book of 2017 Confronting and combating Islamophobia in America Islamophobia has long been a part of the problem of racism in the United States and it has only gotten worse in the wake of shocking terror attacks the ongoing refugee crisis and calls from public figures like Donald Trump for drastic action As a result the number of hate crimes committed against Middle Eastern Americans of all origins and religions have increased and civil rights advocates struggle to confront this striking reality In Islamophobia and Racism in America Erik Love draws on in depth interviews with Middle Eastern American advocates He shows that rather than using a well worn civil rights strategy to advance reforms to protect a community affected by racism many advocates are choosing to bolster universal civil liberties in the United States more generally believing that these universal protections are reliable and strong enough to deal with social prejudice In reality Love reveals civil rights protections are surprisingly weak and do not offer enough avenues for justice change and community reassurance in the wake of hate crimes discrimination and social exclusion A unique and timely study Islamophobia and Racism in America wrestles with the disturbing implications of these findings for the persistence of racism including Islamophobia in the twenty first century As America becomes a majority minority nation this strategic shift in American civil rights advocacy signifies challenges in the decades ahead making Love s findings essential for anyone

interested in the future of universal civil rights in the United States The Strategic Logic of Women in Jihadi Organizations Hamoon Khelghat-Doost, 2021-01-06 This book discusses the role of women in jihadi organizations It explores the critical puzzle of why despite the traditional restrictive views of Islamic jurisprudence on women s social activities the level of women s incorporation into some jihadi organizations is growing rapidly both in numbers and roles around the world The author argues that the increasing incorporation of women and their diversity of roles reflect a strategic logic jihadi groups integrate women to enhance organizational success To explain the structural metamorphosis of jihadi organizations and to provide insight into the strategic logic of women in jihadi groups the book develops a new continuum typology dividing jihadi groups into operation based and state building jihadi organizations The book uses multiple methods including empirical fieldwork and the conceptual framework of fragile states to explain the expanding role of women within organizations such as ISIS Addressing a much overlooked gap in contemporary studies of women s association with militant jihadi organizations this book will be of interest to scholars in the field of gender and international security think tanks working on the Middle East security affairs activists policy makers as well as undergraduate and postgraduate students undertaking study or research associated with gender and militant non state actors Making Sense of History Gül Şen, 2022-07-25 In Making Sense of History Narrativity and Literariness in the Ottoman Chronicle of Na m G l en offers the first comprehensive analysis of narrativity in the most prominent official Ottoman court chronicle Using an interdisciplinary approach that combines methods from history and literary studies en focuses on the purpose and function of the chronicle not just what the text says but why Na m wrote it and how he shaped the narrated reality on the textual level As a case study on the literalization of historical material Making Sense of History provides insights into the historiographical and literary conventions underpinning Na m s chronicle and contributes to our understanding of elite mentalities in the early modern Ottoman world by highlighting the author s use of key concepts such as history and time ITJEMAST 12(2) 2021 , International Transaction Journal of Engineering Management Applied Sciences Technologies publishes a wide spectrum of research and technical articles as well as reviews experiments experiences modelings simulations designs and innovations from engineering sciences life sciences and related disciplines as well as interdisciplinary cross disciplinary multidisciplinary subjects Original work is required Article submitted must not be under consideration of other publishers for publications

The Top Books of the Year Hijri Calendar 2014 2015 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Hijri Calendar 2014 2015 : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Hijri Calendar 2014 2015 : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
