Houghton Mifflin Spelling Houghton Mifflin Company, 1990-07 *Step Up, Step Back* Elsbeth Johnson, 2020-02-20 Many strategic change efforts fail And virtually all of them are harder than they need to be Why is this And what can we do to make change more likely to stick Dr Elsbeth Johnson a former equity analyst and London Business School Professor now teaching at MIT has spent a decade researching how to deliver strategic change in practice Based on asking managers what they needed from leaders rather than just asking leaders what they did her resulting Step Up Step Back approach challenges some of our most fundamental beliefs about how to lead change and indeed about what we even consider to be leadership The Step Up Step Back approach suggests leaders need to step up and do more than they typically do in the early stages of the change in specific ways and at specific times and then step back and do less than they typically do in the later stages of the change again in specific ways at specific times The result is not only change that sticks but empowered motivated managers who can get on with delivering change without needing ongoing input or cover from leaders Using real world examples of how to apply the science in practice Step Up Step Back gives you a roadmap for how to deliver strategic change in your organization **The Storytime Handbook** Nina Schatzkamer Miller, 2014-01-23 Fresh fun ideas for children s storytime fill this book The author a long time storytime facilitator has put together 52 weekly themes plus additional plans for holidays all with detailed instructions for talking about the theme and choosing the books crafts songs poems games and snacks Each storytime idea is illustrated with photographs of a suggested craft and snack for easy reference Libraries bookstores preschools and parents alike can use this book to offer themed storytimes that include discussion literature art music movement and food Options are provided for each storytime so the ideas can be used year after year **Design**
