

Edit your new document. Once you have finished processing the scanned document with an OCR program, open it in your preferred word processor and begin making corrections. There will likely be several spots that were converted incorrectly, so you may have multiple changes to make to spelling and formatting.

Use spellcheck to quickly find errors that occurred in the conversion process. You will still need to search for formatting errors and words that are considered spelled correctly but are actually incorrect.

How Can I Edit A Scanned Document
