How I Spent My Summer Invasion English Edition:

'War on Terror' and American Film Terence McSweeney, 2014-11-11 This compelling theoretically informed and up to date exploration of contemporary American cinema charts the evolution of the impact of 9 11 on Hollywood film from *Black Hawk Down* 2001 through *Batman Begins* 2005 *United 93* 2006 to *Olympus Has Fallen* 2013 Through a vibrant analysis of a range of genres and films which in turn reveal a strikingly diverse array of social historical and political perspectives this book explores the impact of 9 11 and the war on terror on American cinema in the first decade of the new millennium and beyond

Don't Look Left Atef Abu Saif, 2024-03-05 A harrowing and indispensable first hand account of the experience of the first 85 days of the Israeli invasion of Gaza from a prominent Palestinian writer In the morning I read the news The news is about us But it s designed for people reading it far far away who couldn t possibly imagine they could ever know anyone involved It s for people who read the news to comfort themselves to tell themselves it s still far far away I read the news for different reasons I read it to know I m not dead Early in the morning of Oct 7 2023 Atef Abu Saif went swimming It was a beautiful morning sunny with a cool breeze The Palestinian Authority s Minister for Culture he was on a combined work and pleasure trip to Gaza visiting his extended family with his 15 year old son Yasser and participating in National Heritage Day Then the bombing started *Don t Look Left* takes us into the day to day experiences of Gazan civilians trying to survive Israel s war against Hamas its detail and extended narrative showing us what brief reports and video clips cannot In a war that has taken an extraordinarily high toll on civilians it is a crucial document a day to day testimony and a deeply moving depiction of a people s fight to survive and maintain their humanity amid the chaos and trauma of mass destruction It is also remarkably a powerful literary experience Atef Abu Saif was born in Jabalia refugee camp in Gaza in 1973 and as he writes his first war broke out when he was two months old He writes as only someone who knows Gaza deeply can and only as someone who knows war can picking out the details of ordinary life and survival amidst the possibility of death coming at any moment washing the only shirt he has and waiting naked for three hours for it dry noticing a cat as terrified as the people on the street around it hiding under a bistro table visiting his sister in law s daughter in the hospital who tells him in her dream she has no legs and asks him if it is true It is she has lost her legs and a hand when her home was hit by a bomb Trying to figure out the best place to sleep each night and when and where to flee as the destruction intensifies This is not like past wars with Israel Abu Saif soon realizes thinking of the Nakba and of images of bombed cities from World War II Profits from the sale of this book will go to two Palestinian charities Medical Aid for Palestinians and the Middle East Children s Alliance

Escape From Vienna Trudie Richman, 2011-10-26 Trudie Richman considers herself a lucky Holocaust survivor She along with her five siblings and both parents escaped the horrors of Nazi Europe *Escape from Vienna* is a redemptive and ultimately uplifting memoir beginning with Trudie at just three years of age losing her biological mother Richman s story takes another dramatic turn when Hitler annexes Austria A sheltered naive and terrified 14 year old Richman struggles on her own to reach

America's secure shores Escape from Vienna's narrative has an innocent quality and is not horrific like other Holocaust memoirs thought it does have some sad vignettes The memoir is also appropriate for young readers who would be inspired with Richman's ability as a teenager to learn English graduate high school early and earn a scholarship to college Richman is an accomplished poet and musician Two of her folk recordings are on the prestigious Smithsonian Folkways label Visit her website www.TrudieRichman.com *Brighton public library.
