Good news This book is your first step toward your independence from fear and anxiety about having a repair issue with your  
vehicle No experience necessary And no tools You re not going to learn to be a certified technician rather I will teach you  
about your vehicle and the important parts of the vehicle that you need to keep an eye on I will guide you to where you can  
get the information about your vehicle that you are going to need to know and the manufacturer wants you to have No  
Internet or cell phone necessary We are going to look at ways to understand the issue with your vehicle and then clearly  
communicate that information to the repair shop We will take it slow and cover all the basics As we move forward I ll add a  
layer of relevant information adding in some cases to what you have already learned We will avoid information overload or  
paralysis from analysis Knowledge is king Gone are the days of I only put gas in it From reading and referring to this book  
you are going to understand and be able to take control of your vehicle s wellness and repair Congratulations      Auto
