God's Autopsy and the Living Truth of Soul Hal Childs,2022-08-22 The Grand Narrative of Christianity that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God s Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung s psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in the Bible itself

All the Way to Heaven Lawrence Holben,2010-05-01 From the Author What I ve aimed for in this book is neither academic analysis nor a history of the Worker movement per se Rather my interest has been a theological exploration of the Catholic Worker vision in all its rich and resonating breadth The goal has been to present and to promote that vision as what I am convinced the movement s founders Peter Maurin and Dorothy Day understood it to be not finally a matter of political theory or philosophy but rather of profound religious conviction and insight _____ Indeed what is most striking about the now more than sixty years of Catholic Worker reflection writing and living is the movement s audacity of conviction and action the unflinching consistency of its call to discipleship the comprehensiveness of its attempt to bring together all aspects of life into a divinely ordered balanced whole the diversity of
