Management of Shari'ah Compliant Businesses Ezlika M. Ghazali, Dilip S. Mutum, Mamunur

Rashid, Jashim U. Ahmed, 2019-03-18 Muslim consumers represent an untapped and viable market segment but to date there has been very little research on catering to their needs or running and managing Islamic businesses. Innovations in Islamic business interest in the use of Sukuk Islamic bonds to finance major projects pressures on Islamic banks to reduce the financing gap in society and the need to understand Muslim consumers require a deeper grasp of the issues and opportunities involved which are quite unique. In similar vein acquiring expertise on topics specific to Shari'ah compliant businesses requires a thorough knowledge of matters ranging from financing to branding and in a broader sense creating an entrepreneurial framework suitable to the market. This book fills this gap by presenting high quality and original case studies on Islamic finance marketing and management from around the world. Equally valuable in business school classrooms and for corporate strategists it will help readers shape business strategies to tap into a billion strong market. **Global Halal**
