opportunity to learn ministry through hands on experience Ministry Training Academies also help to fulfill the purpose of the local church Given that children make up approximately 25% of the church population it would be unlikely for a church to fulfill what God has called it to do unless children are engaged in helping fulfill that purpose Can you imagine if every evangelical church equipped and released their children in ministry Not only would there be radical changes in the church of Jesus Christ there would be changes in homes schools and neighborhoods Children who walk in newness of Christ as a believer AND partner with Him in ministry will have a profound impact in their world Let s stop doing ministry to our children and begin a chapter in church history where we begin doing ministry WITH children **Integral Ministry**
