Miracles Don T Happen The Way You Think They Do:

Miracles Don't Happen Kimberly Speegle,2014-11-13 What do you think of when you hear the word Miracle You may be surprised to know that yes they do still happen but not like you may think I was not sure if our other kids understood what that meant but by the looks on their faces they knew I put all of them in bed with me that night and we prayed I lay down with them and kept the phone in my hand At one o clock in the morning Darrin called He said I m sorry You re going to have to come back now He is dying

The New Testament: Junior High Group Study Kara Powell,2010-10-29 Take your teens into a solid understanding about the New Testament and important truths it teaches Twelve sessions in two 6 session units The Kingdom is Near The Kingdom is Growing each Bible lesson features a New Testament person who helps them learn how they can be full members in God s Kingdom too Highlights from the Gospels and Acts Focuses on faith surrender and the power of the Holy Spirit Downloadable easy print pages for younger teens for each session Help kids find their identity purpose and power in Christ

The Miracle Myth Lawrence Shapiro,2016-08-30 There are many who believe Moses parted the Red Sea and Jesus came back from the dead Others are certain that exorcisms occur ghosts haunt attics and the blessed can cure the terminally ill Though miracles are immensely improbable people have embraced them for millennia seeing in them proof of a supernatural world that resists scientific explanation Helping us to think more critically about our belief in the improbable The Miracle Myth casts a skeptical eye on attempts to justify belief in the supernatural laying bare the fallacies that such attempts commit Through arguments and accessible analysis Larry Shapiro sharpens our critical faculties so we become less susceptible to tales of myths and miracles and learn how ultimately to evaluate claims regarding vastly improbable events on our own Shapiro acknowledges that belief in miracles could be harmless but cautions against allowing such beliefs to guide how we live our lives His investigation reminds us of the importance of evidence and rational thinking as we explore the unknown

Evolution and Religion Michael Ruse,2016-08-31 Michael Ruse a leading expert on Charles Darwin presents a fictional dialogue among characters with sharply contrasting positions regarding the tensions between science and religious belief Ruse s main characters an atheist scientist a skeptical historian and philosopher of science a relatively liberal female Episcopalian priest and a Southern Baptist pastor who denies evolution passionately argue about pressing issues in a context framed within a television show Science versus God Who is Winning These characters represent the different positions concerning science and religion often held today evolution versus creation the implications of Christian beliefs upon technological advances in medicine and the everlasting debate over free will The second edition of this innovative text incorporates the influence of Eastern religions and philosophies on the debate on human origins broadening the contextual reach of the dialogue into comparative philosophy and religious studies
