[Entrepreneurship and Structural Change in Dynamic Territories](#) Luísa Cagica Carvalho, Conceição Rego, M. Raquel Lucas, M. Isabel Sánchez-Hernández, Adriana Backx Noronha, 2018-05-03 Entrepreneurial ecosystems involve a complex synergy of factors including social and structural changes that are frequently cumulative within territories promoting the improvement of citizens quality of life and higher development levels Further dynamic

territories are characterized by constant change activity and progress Each chapter in this volume examines a specific entrepreneurial ecosystem in an effort to describe why and how certain companies and organizations manage to overcome adversities and achieve strong performance while others fail Unlike the conventional focus the volume examines microenterprises and Small and Medium Enterprises SMEs while also discussing selected experiences and case studies from developed and developing countries alike Entrepreneurship & Management Manjunath V.S.,2010-09 **Fundamentals of Entrepreneurial Finance** Marco Da Rin,Thomas Hellmann,2020 Entrepreneurial finance brings together the fast moving world of entrepreneurship with the disciplined world of finance Fundamentals of Entrepreneurial Finance provides an accessible yet rigorous framework for understanding how ambitious high growth start ups can successfully obtain funding and interact with investors **Contemporary Business Im Vol1 E9** Boone and Kurtz Staff,1998-07 *The Age of Entrepreneurship* Robert Bennett,Harry Smith,Carry van Lieshout,Piero Monteburro,Gill Newton,2019-06-27 This landmark research volume provides the first detailed history of entrepreneurship in Britain from the nineteenth century to the present Using a remarkable new database of more than nine million entrepreneurs it gives new understanding to the development of Britain as the world s first industrial nation Based on the first long term whole population analysis of British small business it uses novel methods to identify from the 10 yearly population census the two to four million people per year who operated businesses in the period 1851 1911 Using big data analytics it reveals how British businesses evolved over time supplementing the census derived data on individuals with other sources on companies and business histories By comparing to modern data it reveals how the late Victorian period was a golden age for smaller and medium sized business driven by family firms the accelerating participation of women and the increasing use of incorporation as significant vehicles for development A unique resource and citation for future research on entrepreneurship of crucial significance to economic development policies for small business around the world and above all the key entry point for researchers to the database which is deposited at the UK Data Archive this major publication will change our understanding of the scale and economic significance of small businesses in the nineteenth century *Cybernetics and Systems* Sergio Barile,Raul Espejo,Igor Perko,Marialuisa Saviano,2018-12-07 Society is now facing challenges for which the traditional management toolbox is increasingly inadequate Well grounded theoretical frameworks such as systems thinking and cybernetics offer general level interpretation schemes and models that are capable of supporting understanding of complex phenomena and are not impacted by the passage of time This book serves the knowledge society to address the complexity of decision making and problem solving in the 21st century with contributions from systems and cybernetics A multi disciplinary approach has been adopted to support diversity and to develop inter and trans disciplinary knowledge within the shared thematic of problem solving and decision making in the 21st century Its conceptual thread is cyber systemic thinking and its realisation is supported by a wide network of scientists on the basis of a highly participative agenda The book provides a platform of

knowledge sharing and conceptual frameworks developed with multi disciplinary perspectives which are useful to better understand the fast changing scenario and the complexity of problem solving in the present time **Proceedings of the International Conference on Entrepreneurship, Leadership and Business Innovation (ICELBI 2022)** Donard Games, Maruf, 2024-01-09 This is an open access book The International Conference on Entrepreneurship Leadership and Business Innovation ICELBI is a pioneer conference on entrepreneurship leadership and innovation in the higher education environment that focuses on the research oriented output from academics and practitioners The conference s theme Fostering university based entrepreneurship in the digital economy era encourages entrepreneurship activists to become a catalyst for creating creative jobs and increasing economic growth especially in the digital era *Entrepreneurship Education at Universities* Christine K. Volkmann, David B. Audretsch, 2017-06-15 This volume discusses entrepreneurship education in Europe on the basis of in depth case studies of related activities at twenty higher education institutions Based on a model of entrepreneurship education the analysis addresses curricular and extra curricular teaching as well as the institutional and stakeholder context of delivering entrepreneurship education within higher educational institutions The book offers both insightful entrepreneurship teaching practices and a discussion of potential organizational drivers and barriers Accordingly it provides a valuable resource for researchers instructors and managers of entrepreneurship education alike **Negotiation for Entrepreneurship** Vimal Babu, Robert Hisrich, 2023-01-10 Everyone has desires Spiritual leaders too give up the mundane life However they carry the deeply rooted desire to attain insights and enlightenment eventually Irrespective of what life one leads one core but common desire is to enjoy the autonomy to make decisions However life introduces one to several ups and downs resulting in both successes and failures Nonetheless one desires to be happy throughout and enjoy whatever is in possession Also one aspires to achieve all that one feels capable of achieving thus driving oneself to take risks against the opportunities identified In the backdrop the present book is for every individual who is either an aspiring entrepreneur or serial entrepreneur irrespective of the domain expertise or industry one represents The book attempts to focus and address a pressing pain point of entrepreneurs quite often entrepreneurs fail to strike great deals on account of poor negotiation skills The stated pain point not only becomes a hindrance in the initial stage of start ups but it also becomes a major challenge for the entrepreneur as the start up scales up expands diversifies or exits from the market The book is an attempt to eliminate the pain point of poor negotiation skills one of the major factors responsible for the success and failure of start up ventures in modern times Governpreneurship Robert D. Hisrich, Amr Al-Dabbagh, 2012-01-01 I can t think of a more qualified scholar to tackle the difficult subject of governpreneurship than Bob Hisrich His vast experience in and knowledge of entrepreneurship has enabled a thorough application of entrepreneurial principles to government organizations This book should be recommended reading for everyone in government at every level We can only hope that a new era of governpreneurship is launched with this useful and practical guide Thomas N Duening

University of Colorado US Challenging the traditional view that entrepreneurship is exclusively a private sector concern Government entrepreneurship presents a compelling argument for increased focus on entrepreneurship in public sector organizations The only book to date to focus specifically on government entrepreneurship this innovative volume combines Robert D Hisrich's vast theoretical knowledge with the practical experience of Amr Al Dabbagh who applied entrepreneurship in the Saudi public sector with excellent results Featuring forewords by former US President Bill Clinton and former Malaysian Prime Minister Dr Mahathir Mohamad as well as four case studies that demonstrate the effectiveness of government entrepreneurship in action this fascinating book breaks new ground in a rapidly growing field In a time when government funds are being reduced and its services increasingly questioned fostering an entrepreneurial spirit within the government becomes a vital concern Although there is no ideal model for achieving government entrepreneurship this volume outlines a number of innovative strategies designed to help public sector managers undertake their public mission while developing an entrepreneurial culture within their organization The authors offer thorough and indispensable advice covering every aspect of government entrepreneurship from framework to policy to funding and beyond Finally the book concludes with four case studies that explore successful government entrepreneurial undertakings in Ireland Singapore Saudi Arabia and Switzerland Government officials and other leaders in the public sector will find this book an indispensable guide to establishing an entrepreneurial focus in their organizations Professors and students working in entrepreneurship public sector management and other business related fields will also have much to admire in this innovative addition to the literature
